

Letter 09a
DREAM
Worldwide Epidemic
2017-09-30

Dear Dan,

9 December 1992.

I DREAMED THAT:

There was a worldwide epidemic of a disease, which was terminal in every case. It took the form of a gray translucent cloud as it spread around the globe. My impression was that the disease was introduced by aliens not of this world. A remedy had been found though, which caused a reversal of the disease and its effects and brought about a total cure.

The cure came in the form of a self-adhesive label which had the Name and Phone Number of a Building Security Monitoring Company. The label emitted a type of low-level radiation, which killed the virus and maintained a state of immunity providing the label remained attached to the Patient.

I remember in the dream that I wanted to make sure that my cat was "labeled". Then I awoke.

END OF DREAM.

ONE POSSIBLE INTERPRETATION

The **Disease** that was introduced into the world is **sin**.

The **Aliens** who introduced the disease to the world are **Satan and his demons**.

The form of the **gray translucent cloud** with which the epidemic took shape represents the way in which **sin and deception** is spreading throughout the world, co-mingling the pure light of Truth with the Putrid Darkness of Falsehood.

The **label** as a whole represents the **Remedy** which is **Salvation through Faith in Jesus Christ**. The label being **self-adhesive** represents the way in which our salvation is assured through the work of the **Holy Spirit** and not of ourselves. It is God Himself that maintains the adhesion of the label to the Patient. The name of the **Security Company** represents the **name of God** which the disciples of **Jesus Christ** bear, and also represents the fact that God is responsible for the disciple's safety and security.

The **Phone Number** of the security company represents the ability of the disciple to have real time duplex **communications with God** the Creator. The low-level **radiation** represents the cumulative affect of a believer's life being lived **wholly holy unto the Lord**.

My **Cat** represents Creation as being sealed and waiting for the redemption of the Saints at the coming of the Son of Man.

Blessings...

R. C. Theophilus
