

Letter 09o
DREAM
The Family Business
 2023-02-20

Dear Dan,

At about the same time as I had the dreams listed in Letters 09a-09g (1994-1995), I had another dream.

I DREAMED THAT:

I was part of a Family Business. Our Father was the Owner and President of the Business.

I reported to work one day at the Main Offices with other Family Members. But as I entered the premises I could see that there had been a catastrophe. Most of the interior walls were broken through with holes in the sheetrock, as if someone had taken a sledge hammer to the walls to begin a demolition process. Even though the Business Headquarters was damaged, our Father called a staff meeting anyway with His Family Staff Members. We met in a conference room with holes in the walls and dust everywhere.

Then, our Father and President of the Company passed out written instructions to everyone at the meeting table. I received mine, and began to read. My task was to deliver written messages to various customers who were out "in the field."

I remember thinking that I would have to be careful to avoid running into hosts of demons, as there were roving gangs of them everywhere out in the field.

END OF DREAM.

Post Dream Analysis says that:

According to the [Lord Holy Spirit](#), our Father is Yahweh. The Company Business is the Kingdom of Heaven. The Family Members consist of me and the angels of Yahweh who I have been assigned to work with. The Family Business is the same Business that Jesus referred to when He was twelve years old. The Business Headquarters is the Church. The Message I was given is my Testimony about Jesus. The Customers are those who need to hear my Testimony about Jesus. The demons are the opposing forces of hell. The internal damage to the Headquarters was caused by in-fighting within the Church.

Luke 2:49

*"And He said to them,
 "Why did you seek Me?
 Did you not know that I must be about
 My Father's business?"*

Matthew 11:12

*And from the days of John the Baptist until now
 the kingdom of heaven suffers violence,
 and the violent take it by force.*

Blessings...

R. C. Theophilus
