

Letter 31a  
**The Day of 7 - Part 9a**  
**The Deliverance Of (CB9)**  
2011-11-13

Dear Dan,

The Lord reminded me of this important event from the Day Of 7.

In the early stages of the Day Of 7, as part of my training in the Lord and His revealing the works of the devil, I was eyewitness to the manifestation of a demon in a young boy by the name of (CB9).

He was being fostered by (CS2) and was living with her at the time that I started to attend Church at (U3).

(CB1), (CB8), and (CS2) were also attending Church at (U3) at the time. When I found out that (CB1) and (CB8) met at (CS2)'s house before going to Church, I offered to drop by (CS2)'s place to pick everyone up for Sunday evening services.

(CS2) had a small hot tub, and after asking I was allowed to use it, hoping that the heated water would alleviate some of my pain.

One Sunday I arrived early so I could soak in the hot tub. (CB8) was there along with (CB9). I remember that (CS2) wanted to add some bleach to the water for sanitation purposes. (CB9) asked what the bleach was for, and I responded that it would "kill all the little germies". Somehow I knew that there was a larger reference being made than just at the biological level.

(CB9) also wanted to soak in the tub, so a pair of shorts was found and he joined me. Afterward we had gotten dry and (CB9) and I were sitting alone on the front porch. (CB9) then did a strange and unexpected thing. He got into the lotus position on the chair, forming circles in both hands by touching the second finger to the thumb.

I asked him what he was doing, and he answered;

"I AM PRAYING TO MY GOD".

At that moment I knew that he was demon possessed and that the demon(s) inside him was praying to his god, Satan. I prayed also, and a little later (CB9) stopped what he was doing. The Lord did not lead me to do anything like binding, etc. I was observing only. But I did pray.

This happened just after I was introduced to Gabe but before I begin sharing angel stories

with (CB3).

The other thing I remember is that I could feel, somehow, the spiritual tension surrounding both me and (CB9), and I knew there were forces from both sides present, from God's camp and Satan's, ready to "get it on", battle-wise.

At that time (CB9) was about ten years old. I remember (CS2) had remarked about her concern for him in that he had gained a lot of weight in a short amount of time. And he smoked quite bit.

(CB9) disappeared from my "radar" not long after that. But I pray the Lord would remember him and deliver him from evil. In Jesus Name. Amen.

Blessings...

Romanus Theophilus
