

Letter 35b
The Day of 7 - Part 13b
Where Satan's Throne Is
2016-08-11

Dear Dan,

In the Book Revelation Jesus dictates seven Letters to all the Churches.

These Letters, along with the rest of the Book of Revelation, were proclaimed to the Apostle John by Jesus's own angel (Gabe), then distributed through seven written copies, with one copy each given to the angel of each of the seven Churches, as specified within the Letters.

In one of the Letters, Jesus mentions the Throne of Satan, then located in Pergamos. This reference is found in chapter 2, verse 13.

One time during the Day of 7, (see Letters 23 - 36 Volume 1), angel Gabe answered a question I had asked him about something in the Bible.

My question, which I asked in late 1999 or early 2000, was whether he knew where Satan's throne was at that time. He answered by saying; "Saddam Hussein".

This inquiry arose from my own knowledge of Scripture, and because Gabe had claimed to be the same angel that brought the vision to the Apostle John, which became the Book of Revelation, while John was on Patmos Island. Satan's throne was in Pergamos at the time John wrote the Book of Revelation.

I figured it very likely that the Devil's headquarters might have moved over the 2000 or so years since Revelation was written. I also figured that since angel Gabe had something to do with the Book of Revelation, he just might have access to the information that would answer my question. Based on world events at the time of my asking, his answer sounded plausible. And as of this writing, at this moment in time, I have no reason to doubt angel Gabe's word.

In 1991, after the Iraqi invasion of Kuwait and the subsequent expulsion of Iraqi forces back into Iraq, the U.S. established "no-fly" zones over Northern and Southern Iraq. Satan saw these no-fly zones and knew his days of having a safe haven with Saddam Hussein were numbered.

Later on in 2003 the United States and a Coalition of Allied Forces invaded Iraq and overthrew the Hussein administration. Mr. Hussein was then tried in an Iraqi Military court and found guilty on charges of crimes against the Iraqi People. He was executed in December of 2006.

Mr. Hussein's execution and the establishment of a newly elected government in Iraq essentially left Satan looking for a new place to establish his throne. The Devil had already surveyed many areas after the no-fly zones were put into place. He finally settled on Bellevue, Washington, of all places.

This was because he saw the tremendous wealth represented by Microsoft and other related Wealth Controlling Interests in the City. Satan's level of lust for human wealth helped to inflame his decision. He

also saw that the spiritual covering of protection, which a founding Church provides a geographical area, had been eroded away, thereby providing him a soft target and an easy vector of approach to attack.

This was because the first Church to be established in Bellevue with Apostolic authority had become **apostate**. The tipping point came when it allowed (real) idols to be sold in the church library, along with printed instructions on how to pray to the idols. See Letter 343 Volume 5-15, and also Vision - **Satan Dethroned** - Letter 154b Volume 2.

This spiritual erosion gave Satan a whole lot of freedom to begin to re-establish his throne. But the Lord countered his move by placing me in a position of intercession for Bellevue. This infuriated Satan, and he then began a vicious campaign to force me to resign from my job. Most of his efforts to do that have already been documented in these letters:
