

Letter 40a  
**DREAM**  
**Opposing Satan**  
2011-11-16

Dear Dan,

Sometime in the year 2,000, I had a dream.

**I DREAMED THAT:**

I am standing with two swords, one in each hand. Satan is to my right, and a Lost Young Man is to my left.

I am holding the two swords, which are like rapiers, against the face of Satan in the form of an "X", or a Cross, and the Devil's face is turned away with a frown and a scowl.

And I am given the knowledge that by doing this the young man is given the chance to hear the Gospel, the Good News that Jesus is Lord, Messiah, and King, and be saved.

**END OF DREAM.**

Blessings...

R. C. Theophilus
