DREAM
The Rebellious Wife
 2017-09-30

Dear Dan,

25 July 2007, 12:30PM.

I DREAMED THAT:

I am with my Friend and Brother Dan in the living room of his house. His wife is with us and she is in need of deliverance. I inform the both of them that she is her husband's responsibility and her deliverance is contingent upon her submitting to him as Head of Household.

They both agree, and my friend embraces his wife with very much compassion. His wife is facing me during this embrace and is looking at me. At that moment I see in her eyes (which are open) a glint of rebellion, a part of her not submitted to her husband. Then I woke up.

END OF DREAM.

=====

As I was waking, I was experiencing great fear and terror. I knew that this dream was revelatory of Satan's plan against my Friend Dan and His Wife the Church.

Also, within the dream were elements of witchcraft and deception Satan was using to try to distract me from the main purpose of my presence, which is to minister Right Relationship - between man and God, man and man, and man and Satan.

Additionally, I could tell in the dream the Woman that was Dan's wife was a combination of one of my own wife's cousins and a Pastor's wife of a local Church I have visited a few times, with a touch of a Charge Nurse from where I work.

By the Grace of God I was able to go back to sleep as this was many hours before my usual wake up time of 5:30 PM.

Blessings...
