Destroying The Taliban
 2012-01-09

Dear Dan,

After 9/11/2001, in November of that year, Neil Young published a song, "Lets Roll", about the passengers of United Airlines Flight 93 and their overthrow of the terrorists on that plane. They destroyed the Taliban on that ship, using the sacrifice of their own lives and the plane as a shield for the otherwise intended target. Mr. Young quotes one of the passengers, Todd Beamer, as the foundation of his song;

"ARE YOU GUYS READY? LETS ROLL."

For some time in early 2011 the Lord put that song on my heart, and I finally downloaded it from iTunes around March 2011, at about the same time I downloaded the two books "Hope Unseen" and "Heaven Is For Real". I didn't really know any specific reason for the song, other than it was important enough that the Lord wanted me to listen to it at that time. I do know that the Taliban in Afghanistan, while in power, had made listening to any music at all a capital crime. Hell on earth.

The U.S. overthrew the Taliban in Afghanistan in response to their harboring Osama Bin Ladin who had masterminded the 9/11 attacks. On 1 May 2011 President Obama announced that Osama Bin Ladin had been killed in a clandestine raid into Pakistan by Special Forces SEAL Team Six. About six weeks later my authorization to listen to audio while at work was finalized. The Taliban at (G6) had also been destroyed.

It's ironic that when I was at Harborview in July of 1995, my Church brought to me as a gift a Sony DiscMan portable CD player to listen to. But I was in such mental distress from the Satanic attacks on my mind that I was barely able to listen. I tried to hear the 2nd Chapter of Acts CD (M) brought to me, but I could not listen. I didn't have the energy. It was after that I had all the dreams and visions at Harborview.

The Word of the Scripture is true where it says;

"MAN SHALL NOT LIVE BY BREAD ALONE,
 BUT BY EVERY WORD THAT PROCEEDS OUT OF
 THE MOUTH OF GOD"

And

"FAITH COMES BY HEARING, AND HEARING BY
 THE WORD OF GOD"

Blessings...
