

Letter 842a
TERMINAL DREAM
Dead Daughter Deceiver Spirit
2020-01-18

Dear **Yeshua**,

Wednesday, 1 January 2020, 11:59PM.

Tonight, on the 1st of January 2020, I went to bed and fell asleep sometime just after 10PM. Then, at about 11:45PM, I woke from a dream. This is my first dream of 2020 A.D.

I DREAMED THAT:

I was at the House of a Mother who was throwing a party in honor of her Dead Daughter. The daughter was dead, but the mother wanted to talk with her, so there was a Spirit of Necromancy close by in the House. The Mom was deceived and thought that the Spirit of Necromancy was the spirit of her dead daughter.

At this point, still being in the House, I begin to pray in Tongues, in order to remove the Evil Spirit. The Mom didn't want me to exorcize her House, and was verbally attempting to dissuade me from removing the evil spirit. I knew then I had to leave the house in order to more directly engage to Spirit of Necromancy.

I then left the House and walked down the sidewalk to my Car, with the evil spirit of Necromancy following me.

After getting into my car and starting the engine, I could tell that the motor was running in a "funny" manner, due to the close proximity and influence of the Spirit of Necromancy.

END OF DREAM.

Post dream analysis says that:

The Lord Holy Spirit had already said "Let's Clean House" in Letter 842, dated 1 January 2020, in which I was having Terminal Visions. So, this dream is the second house cleaning of the year 2020.

Blessings...
