I believe I am now working on getting information on hot spots of spirits related to this. Perhaps your specialty takes over?

I think that makes you the spotter, and me the sniper.

I am getting 1) yes, 2/3 for me are that I have done my job. Intel was gathered and others take it from here. If you read my paper, you will see my linked dreams. I believe I am now working on getting information on hot spots of spirits related to this. Perhaps your specialty takes over? I have asked what I am to do and was told continue with finding these areas.
