When I went to print this email to PDF, I saw that it produced not 6 pages, not 8 pages, but, you guessed it, 7 pages (5 with text, and 2 blanks at the end).

Thank you for the quick reply. You have saved me years of learning to understand the gifts and battle techniques. I thank God Our Lord Jesus Christ that He brought us together through Dr. Heiser's network. And to think I had just that day taken my name off the list yet He had you contact me anyway. The will of God cannot be denied.

As I was reading this email on my iPad in the Family Room, the Lord spoke Volumes. It was so much I had to turn it off. Then, the Lord reduced all of it down to what I think is the next weapon He wishes you to qualify with.

THE BLOOD OF THE LAMB.

You are already qualified with/in the Name of Jesus. The Blood qualifications will "up-armor" all the other weapons you've been given.

Many years ago I had left Church after Sunday Services and

was going to the Post Office to get the mail. On the way, I prayed, and Pleaded the Blood of the Lamb over the entire Snoqualmie Valley. When we got to the Post Office, I walked in and saw a lady standing at the counter looking at her mail. As I entered the door, she looked up and said:

“SOMETHING SMELLS BAD IN HERE”.

I knew at once that HR was channeling through the human woman, complaining about the smell of the Blood of the Lamb I had only 20 minutes before applied to the whole Valley.

2 Corinthians 2:14–17 (NKJV) 14 Now thanks be to God who always leads us in triumph in Christ, and through us diffuses **the fragrance of His knowledge in every place.** 15 **For we are to God the fragrance of Christ** among those who are being saved and among those who are perishing.

16 **To the one we are the aroma of death leading to death***, and to the other the aroma of life leading to life. And who is sufficient for these things? 17 For we are not, as so many, peddling the word of God; but as of sincerity, but as from God, we speak in the sight of God in Christ.

*To HR, the Fragrance of the Blood of Jesus smells to them worse than the worst odor we could ever imagine. To our Father, the Blood smells like Heaven.

As you become infused with the Knowledge of the Doctrine of the Blood (by studying Scripture), your life will become ever more disgusting to HR, so much so that in time, you will become poison to them.

No longer will some Hot Babe from Hell try to allure you. Your fragrance will kill her immediately, worse than any sarin gas attack would be on earth. And HR has no counter-measures at all against the Shed Blood of Jesus.

None.

There's nothing they can do but stay away, or die. God's version of Chemical Warfare has no opposition. It is the Justification of the Blood which the Lord Holy Spirit uses to created in me ROE3.

In one of my Letters, I discovered this text from Hebrews:

The Book Of Hebrews, Chapter 13, verses 20 and 21.
Now may the God of peace who brought up our Lord Jesus from the dead, that great Shepherd of the sheep, **through the blood** of the everlasting covenant,

make you complete in every good work to do His will,

working in you what is well pleasing in His sight, through Jesus Christ,
to whom be glory forever and ever.

P. S. Philippians 4:18 (NKJV) 18 Indeed I have all and abound. I am full, having received from Epaphroditus the things sent from you, **a sweet-smelling aroma, an acceptable sacrifice**, well pleasing to God.

I'll give you both a summary of this dream below. It has been months since I recorded any dreams. I had asked The Lord to give me a rest and He stopped all of my spiritual battlers. After (...) discussed some of his ongoing abortion battles, I felt it was time to get back in the fight to help. So Thursday at the end of my prayer time, I asked Jesus to put me back in. He responded quickly and I had contact with a fallen angel. Nothing like jumping

into the thick of it. However, this was a reconnaissance mission only.

The back story is God has been giving me signs that our current battle is truly going after abortion spirits as (...) has said. At work, our new machine to run Coronavirus (*tests*) came directly from a Planned Parenthood. We have added a brand new side module for testing to give it further capabilities. God has reversed the evil side and turned it to good, as He often does. Also, two days ago I received a letter from Senator Rand Paul discussing the fight against abortion and it talked about the National Pro- Life Alliance. Enough signs for me to take extra notice of this dream. Jesus explained a bit of the interpretations yesterday evening before work.

After a very long time away, my A (Angel) team came back. I like that Jesus does not waste time answering prayer. One of my team appears as a female (which helps me know the team) but I always seem to recognize them not by sight but by how it feels to be working with them. It is always like we do not have to speak but understand the thoughts. More like a cohesive unit of close friends or family. Like we might feel with a spouses look or gesture. The dream recall started when we were all together in a dark building, which appeared to be partially underground or a sub area of a very old and large stone structure. The team quickly left me alone to recon the area. I did not see them leave and saw no doors or other forms of entry/exit. They just were gone.

The ground appeared like hard pack dirt and there were places that were dug out like large shallow pits. I could see small openings at ground level spaced evenly around the entire

structure and they were slightly above the ground I was standing on. It is like a building was above me (ceiling) similar to being in a crawlspace but very large and taller. I could see outside the openings streets that followed the sides of the building and there was a procession of state dignitaries in open coaches/vehicles. I discerned in the spirit that one was the President or perhaps a king of Egypt and I knew I was below an ancient structure. The other head of state was from Britain. Although the area I was in was fairly dark and the openings were small, I knew I had to get low to the ground and use the shallow pit areas to slowly do my recon. If I moved too fast, motion sensor lights would come on and I would be easy to spot. There was also a small radio that I found with sound emanating but I could not tell what it was so I turned it off as I reached it. I have the feeling now it was some type of comm device but there were no others in the area besides me.

After searching the area, I could not find anything in the open but I eventually found a hidden cover on the ground. I lifted it and saw steps leading down into total darkness. There were no lights and the passageway was like a square with the dirt or stone stairs turning at right angles as it went down. I could only see the first set of stairs and then the rest led off to the right somewhere. I could feel that it was ancient and there was a powerful presence somewhere below moving around. It was like when I feel the presence of demons but much stronger. The Lord told me not to descend the stairs to engage what was there. Later after asking when I was awake, He told me it was a fallen angel and I was not to deal with it myself. I was specifically recon and the angels

would work on it. That is fine with me.

That is the point when I awoke. However, I did not recall the dream. The odd part is I was meditating for a while since it was not time to get up and God had me recall it after about 10 minutes. The reason I had lost the dream came back to me after finding my recorder and dictating the dream. Before I awoke, I actually had a second short dream and I was being held from the front by a dark female spirit. She was embracing me as a lover would and The Lord later told me this spirit was trying to stop my mind from recalling the recon mission. The spirits discerned I had found the area and did not want me to remember. I guess I was not as stealthy as I thought or perhaps turning off the radio alerted them.

I have never engaged a fallen angel but have seen them a few times (in waking life and in dreams). I can usually discern the power of the dark spirits and the dark angels I have encountered have always exuded great power, both when I was in the material and the spiritual.

(...), if you could ask your angel crew or The Lord to explain any of this, let me know what they say. This is all The Holy Spirit told me. I don't know if my team alone is going after this fallen angel or if they will work with others. He did tell me it was related to the abortion fight and ancient Egypt had something to do with it. Also, the dignitaries signified world leaders that are either working with or influenced by the fallen angels to murder God's children (the unborn). I do not know if the ancient feel and it being in Egypt were metaphorical or if this angel is based there or was one of those that Moses/Aaron and God showed up with the

plagues. There were so many “gods” in Egypt it is hard to tell.

He did lead me to the reason He did not want me to engage. Even heavens angels have a struggle with the fallen ones and they seem to work in teams. Even they do not stop the dark ones quickly.

Scriptures quotes from NKJV.
