Dear **Yeshua**,

Monday, 14 September 2020, 6:24PM.

FIELD REPORT:

Location: West Gate of North Bend at the House of The Medium.

I recorded this (audio) note in my car on Monday, 14 September at 6:24PM, just after getting back from taking my walk in town rather than on the Valley Trail. It would be more accurate to say that I started my walk in town, but headed west along the main road to a side street that is surrounded by brush and trees. There is a place at the end of the side street* that is exactly 30 minutes away from where I park my car, where there is a concrete bulkhead that I can sit on and rest.

Upon returning from my walk, I noticed that the latest sign I had posted on the public utility pole just outside of the main door to The Medium photography shop was missing.

I had brought a replacement sign, the next in the series (see [Letter 860h](#)), just for this contingency, which I then posted. Finished with that, I turned to go back to my car, when I saw something else. Or rather, when I DIDN'T see something else.

What I didn't see was the Black Lives Matter sign which had been posted earlier in the summer (see [Letters 859](#), and [860d](#)) on the reader board just to the left of the door into The Medium. That sign was also missing. In it's place was a geographical map of the local area, which was what had been visible until the BLM-A poster was put in its place.

But now the BLM-A sign was gone, confirming the vision I had at home about 5 hours earlier .

This missing BLM-A sign was the confirming sign that the Warlock & Co., who was stationed there by Satan years earlier, had been removed per the vision in [Letter 862b](#).

All Praise to the Lord God Almighty for His victory in overthrowing HR and SOG.

Blessings...
