

Letter 865
The Three Houses of Maximum Bondage
2020-12-09

Dear **Yeshua**,

Monday, 12 October 2020, 7AM.

During the course of my writing these Letters, I discovered that God reveals Hell on Earth to be what He calls the House of Bondage.

*I am the Lord your God who
brought you out of the land of Egypt,
out of **the house of bondage.**
Deuteronomy 5:6*

According to the Lord Holy Spirit, all sins have their own Special Small House within the **(Big) House** of Bondage from which the Enemy operates.

But now, more recently, the Lord Holy Spirit has been reminding me of three houses of evil found in Scripture.

These houses are identified in three verses of the Bible:

**The Book of Exodus
Chapter 22
Verses 18 Through 20**

18 "You shall not permit a **sorceress** to live.
(House #1 - The House of The Sorceress)

19 "Whoever lies with **an animal** shall surely be put to death.
(House #2 - The House of Sexual Sin and Perversion)

20 "He who sacrifices to **any god**, except to the Lord only, he shall be utterly destroyed.
(House #3 - The House of Idolatry)

Verse **18** identifies the House of Sorcery Witchcraft. Verse **19** identifies the House of Sexual Sin and Perversion. Verse **20** identifies the House of Idolatry.

The sins of these three Houses are all declared to be **capital offenses** before Yahweh God.

At the beginning of Human History, Satan assigned evil spirits to specific sins with which to destroy humanity. At first the Devil kept murder for himself, then later he began to delegate that sin to certain of his (fallen angel) followers. These subordinate evil spirits then built their own houses, dwelling places in spirit-space, where they could practice their evil arts in order to become more proficient sinners, and then take that proficiency and expertise into the earth-space World of Men.

We now see the influence of the Three Houses of Maximum Bondage in the following areas of human activity:

- 1) Drug abuse (The Sorceress uses drugs to enhance her witchcraft).
- 2) Perverted sexual practices (LGBTQ+, pedophilia, necrophelia, coprophilia, bestiality, etc.)
- 3) Idolatry (the worship of ancestors, animals, idols, corpses, climate, hemorrhoids, other spirits, etc.)

It is now the express Word of the Lord Holy Spirit that both the works of these three houses, and the three houses themselves, be identified and destroyed from both within the Church and the World.

Blessings...

R. C. Theophilus
