

Letter 870  
**Represents Jesus**  
2020-12-19

Dear **Yeshua**,

What I am about to describe occurred sometime in the early days of my working for (G8) as their Plant and Facilities Maintenance Supervisor.

In the Spring of 1994, (G8) had sent me to a local Heating, Ventilation, and Air Conditioning Company to take a seminar on how to operate their HVAC equipment, which was installed at one of the (G8) facilities.

The HVAC outfit was located in the same commercial complex as a Bible Bookstore.

If memory serves, the seminar was one or two days long, and took up the entire business day. So that meant we had about a one hour lunch-break each day of the class.

One of my lunch-breaks, I decided to pay a visit to the Bible Bookstore, to see what they had for sale.

After I spent a while looking around and perusing the aisles, it was time to head back to class. As I was exiting through the left side of one of the double glass doors, a Lady was pushing her way in through the other door, placing both of us at each others right side, as we passed by one another in the doorway.

At just the very moment when we were shoulder to shoulder, I had a very strong urge to verbally say to her out loud:

**"I AM A REPRESENTATIVE OF JESUS CHRIST. HOW CAN I HELP YOU TODAY?"**

These words almost escaped my mouth, but because it was so sudden, and I didn't have time to analyze the words, I remained silent.

But I also knew it was a true statement.

In my earlier days of youth I had participated in the Ministry of Helps in the Church I was a part of. So the Concept of offering Help to someone, even someone who I didn't know, was not strange to me. But to suddenly blurt out words to a "perfect stranger" was beyond my realized potential at the time.

I have remembered that event to this day. And as I write this Letter, the Lord Holy Spirit informs me that that event was preparatory for something New that is about to take place in my life, where I can clearly announce to others Who it is that we work for.

(SPECIAL NOTE 2020-12-18: Some time in about 2004, when I was about 46 years old, the Lord spoke to me these words: "THE SECOND HALF OF YOUR LIFE WILL BE GREATER THAN THE FIRST HALF").

Blessings...
