*Severe Acute Respiratory Syndrome Coronavirus 2*  
2021-01-25

Dear **Yeshua**,

**Monday, 18 January 2021, 8:45AM.**

On 1 January of this year, I recorded a series of audio files in which I document my thoughts about some things that happened in A.D. 2020. This and subsequent related Letters are the written versions of those audio notes, and may or may not be a direct transcription, and may have some added information.

**COVID-19:**

My first real awareness of COVID-19 was from a news report about a cruise ship which came under quarantine because of the virus. Here is what WIKIPEDIA has to say:

*Severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) is the virus that causes coronavirus disease 2019 (COVID-19), the respiratory illness responsible for the COVID-19 pandemic. Colloquially known as simply the coronavirus, it was previously referred to by its provisional name, 2019 novel coronavirus (2019-nCoV), and has also been called human coronavirus 2019 (HCoV-19 or hCoV-19). The World Health Organization declared the outbreak a Public Health Emergency of International Concern on 30 January 2020, and a pandemic on 11 March 2020.*

*The British-registered Diamond Princess was the first cruise ship to have a major outbreak on board, with the ship quarantined at Yokohama from 4 February 2020 for approximately one month. Over 700 people became infected, and 14 people died. At the time, the ship accounted for over half the reported cases of SARS-CoV-2 outside of mainland China.*

*“There have been two notable outbreaks of infectious disease on the ship – an outbreak of gastroenteritis caused by norovirus in 2016 and an outbreak of COVID-19 caused by SARS-CoV-2 in 2020. In the latter incident, the ship was quarantined for nearly a month with her passengers on board, and her passengers and crew were subject to further quarantine after disembarking. At least 712 out of the 3,711 passengers and crew were infected, and fourteen have died.*

After the initial U. S. appearance of COVID-19 on 20 January 2020, in Snohomish County in Washington State; it became apparent that COVID-19 was a communicable disease, and that state and federal governments would respond in some way.

This became more evident in March of 2020, when the Governor of the State of Washington declared a statewide emergency, and issued public health directives which effectively closed down most of the state. Some industries and vocations were declared “essential” and permitted to remain open. All others were

ordered to be closed. Residents were mandated to stay at home except for necessary travel, such as to the grocery store, pharmacy, medical facilities, etc.

From the very start, I began to inquire of the Lord Holy Spirit, almost daily, as to the nature of the sickness and about the various responses by local and federal governments. And it became very clear to me that at least some state governments, including Washington where I reside, were violating to one degree or another, both the state and federal Constitutions with many of their restrictions. As a result of this inquiry, the Lord provided the following information about COVID-19 and related things:

**1)** According to my Dutch Seer friend (CB50), COVID-19 was originally mutated in the Pit (spirit-space Abyss) by an evil spirit, who then was able to transfer it into the earth-space surface of the earth, where it laid dormant for some time (centuries or even millennia), until it was later discovered by researchers hiding in a species of bats in China.

**2)** Immediately when the virus was first introduced into the human population at a research laboratory in Wuhan, China, God\* took direct control of it. He then delegated this control of the virus to various evil spirits, who became responsible for the distribution of the virus worldwide. But God\* reserved for Himself the decision of who becomes infected with COVID, who gets sick from COVID, and who dies from COVID (see special notes below). **This is also why infants and young children are virtually immune.** He exempted most (if not all) of them from COVID.

**3)** The various government responses to COVID-19 were/are in God's immediate control. The Lord reminded me of this Scripture which so indicates:

*The king's heart is like channels of water in the hand of the Lord;  
He turns it wherever He wishes.*

**Proverbs 21:1**

\*The Lord Jesus Christ (He is Yahweh God) decides who gets infected and who lives or dies from COVID, and the Lord Holy Spirit executes those decisions. The evil spirits assigned to COVID-19 obey (unwillingly) the Lord Holy Spirit, and carry out God's will.

**(SPECIAL NOTE 01:** In the likely event that some readers will be disturbed at the prospect of God using evil spirits to do His will, please see the Book of Job in its entirety, and 1 Timothy 1:20. In the case of COVID-19, Jesus is giving the whole world over to a virus, in order to remind people to call on His Name, repent from their sins, and be saved. This process begins in His Church. Every day is one day closer to the end of the Church Age of the Acceptable Year, at which point the Church is Raptured (caught up to Heaven), and a chess-clock in Heaven changes from "The Last Days", to "The Time of The End". )

**(SPECIAL NOTE 02:** Of the 3,711 personnel on-board the cruise-liner, 19.19% were infected. 1.97% of those infected died, or .38% of the total population. My question is: if COVID-19 is so deadly compared to other things, why didn't ALL the passengers onboard get sick and a great deal more than .38% die? Answer? GRACE! (**Special thanks to (CB63)** for help with solving for percentages))

Blessings...

R. C. Theophilus
