**VISION - DREAM**  
**The Faces of Q-ANON**  
 2021-10-27

Dear **Yeshua**,

**Thursday, 28 January 2021, 8:45AM.**

When I recorded the audio note from which this Letter is derived, after the opening time and date, I state the following. Some notations I have added or words deleted for clarification, are in *(parens and italics)* or (...). Please consider this to be an edited transcription.

**BEGIN TRANSCRIPTION:**

“This is a dream report, (...), dream and vision maybe, (...).

I don't remember the exact timing of all these things. I did wake up from a dream where I was dreaming about certain things, one of which had to do with taking my pain medication. Now as I think about it I don't even remember the other part. But I do remember, ... I woke up after my first hour of sleep, at about 10, (...) went back to sleep. I don't remember if this was a dream or vision. I think it might have been a vision before I went to sleep.

As I was laying in bed I started seeing faces. These faces appeared to be men of evil. Faces of wicked men who were hell-bent on trying to kill me. And they would come up into my face. But as I laid there I took the position of :

“WELL, I'LL JUST RESIST ACCORDING TO SCRIPTURE.  
 RESIST THE ENEMY AND HE WILL FLEE.  
 'RESIST THE DEVIL AND HE WILL FLEE'”

So I took that position, but of course in my case Rule of Engagement 3 would apply. And it did. There were one or two faces that it took more than a few seconds for them to disappear. And they were all lined up, it was like one face would appear and then it would go away. Another one would appear and then go away. And these were all in grey-scale. There was no color. Just the faces were dark and shades of gray, it was like looking at black and white, and it was *(a)* very “low-level” *(lighting)* scene. So, it wasn't brilliant. The detail was clear enough so I could see detail. It kind of reminded me of a very clear sonogram *(ultrasound)* picture that they take of children in the womb, where it's all black and white, it's got a different way of drawing the picture. It was kind of like that. Not quite as clear as seeing, but clear enough, and it was actually more clear than a lot of the sonograms I have seen. So it was pretty clear. It had some pretty good detail. So that happened, I think it was in the vision mode, right as I was falling asleep. It could have been a dream that woke me up, but I think it was as I was falling asleep. That's how I want to remember it right now.

So, that happened last night. Today when I wake up I get an email from a friend who has been reading Q-ANON. And, here we go. Q-ANON is, ..., Q-ANON is bogus. It's full of crap. Human crap and demonic crap, mixed together. So, that's all I'm going to say about that. Here's what God has to say about Q-ANON (because he gave me His Word).

“HERE IS WHAT THE LORD GOD ALMIGHTY SAYS ABOUT Q-ANON.”

**ISAIAH CHAPTER 8 VERSES 19 AND 20**

“And when they say to you,  
“Seek those who are mediums and wizards,  
who whisper and mutter,”  
should not a people seek their God?  
Should they seek the dead on behalf of the living?  
To the law and to the testimony!  
If they do not speak according to this word,  
it is because there is no light in them.

-AND-

**ROMANS CHAPTER 3 VERSE 4**

Certainly not!  
Indeed, let God be true but every man a liar.  
As it is written:  
“That You may be justified in Your words,  
And may overcome when You are judged.”

“SO SAYS THE LORD GOD ALMIGHTY.”

And as I was reading the email that was sent and my friend started talking about Q-ANON, this is what the Lord Holy Spirit gave me as His express Word on the subject.

So, I sent that. I replied to the email and sent it. And there were some other things, but that was the “big deal”.

Anyway, that’s what happened last night. I guess that’s all I have to say about that.

**I THIS VISION / DREAM I SAW THAT:**

(see above)

**END OF VISION / DREAM.**

**Post Dream Analysis Says That:**

According to the Lord Holy Spirit, the faces that I was seeing in the vision before I went to sleep were HR agents assigned to both the concept and websites relating to all things Q-ANON. They are spirits of murder seeking any that they can destroy with their unique form of deception.

(**SPECIAL NOTE:** Looking back, I now remember this event more clearly, and can say that, according to my own memory, the faces appeared in the vision right before and as I was falling asleep.)

Blessings...
