DREAM
No Virus
2021-02-06

Dear **Yeshua**,

Saturday, 6 February 2021, 7AM.

At about 5:20 this morning I woke from a dream.

I DREAMED THAT:

I was with a Brother and Sister. The Sister wanted to be healed from COVID-19. I said to her what the Lord Holy Spirit had said to me multiple times:

“YOU DON’T HAVE THE VIRUS.
YOU WILL NEVER GET THE VIRUS.
AND, YOU WILL NEVER GIVE THE VIRUS TO OTHERS.”

The Sister did not believe what I was saying, and parted company with me.

Her Brother stayed close to me, and we talked for a short time. After he spoke a few words, I perceived that he was a Believer, so I asked him:

“ARE YOU A BELIEVER?”

“YES”,

was his answer.

END OF DREAM.

Post Dream Analysis says that:

I woke up very tired from this dream. And as I was laying in bed beginning to wake up I saw clearly by vision the face of a man. According to the Lord, this man was the leading Fallen Angel responsible for building walls of UNBELIEF in the Church in the Pacific Northwest. That angel is now gone.

I was tired because the dream was a graphical representation of the wrestling match I was in with the Angel of Unbelief. But, I was not sore in my shoulders. This was because my authority over the Spirit of Unbelief had already been established. It was just a matter of kicking his butt, and sending him to the Pit.

And right before I opened my eyes to get out of bed, the Lord spoke this name to me:

“MIKE PENCE.”

Blessings...
