

Letter 878b
DREAM
The Petco Jeep
2021-10-29

Dear **Yeshua**,

Wednesday, 10 February 2021, 7:16AM.

At about 5:30AM I woke up from a dream. There was more detail to the dream, but all I can remember at this point is toward the end.

I DREAMED THAT:

I was in a parking lot where I had parked my vehicle, which was a Jeep (*as in Jeep/Chrysler*) of some kind. I had gotten out of my Jeep, and was walking away when I looked back at the car. I saw that there was a spare tire on the back of the jeep, with a cover over the tire. On the covering were large letters and a company logo which said:

PETCO.

END OF DREAM.

Post Dream Analysis Says That:

I woke up sore and tired. I wasn't fuzzy headed, as if I had wrestled with witchcraft, only sore and tired, almost like I had slept too soundly. As of now, I do not know the significance of this dream.

Blessings...
