DREAM
The Mask Lady
2021-02-11

Dear **Yeshua**,

Thursday, 11 February 2021, 5:52AM.

At 10:11PM last night I woke from a dream, having only slept for about 40 minutes.

I DREAMED THAT:

I was standing on the ground. In front of me was what appeared to be a raised Loading Dock which was part of a Building.

Standing on the Dock was a Lady who had her back to me. She had stolen something from me and I wanted it back. The height of the deck made her feet to be at about at the same level as just above my belt line.

I had in my hand a Lamb's Wool Duster, the kind Janitors use to remove dust from surfaces while cleaning.

I was going to use the Duster to force the Lady to return the stolen item.

Just then the Lady turns to me and I see that she is wearing what appears to be a medical grade surgical face-mask.

Reaching up above me as far as I can, I start to beat at the mask the Lady is wearing with my Lamb's Wool Duster.

END OF DREAM.

I woke up real tired from wrestling. I went to the kitchen and made some soup, then watched some TV, took a pain pill, and went back to sleep. I woke up later at my normal time of about 5:11AM.

Post Dream Analysis: (Per the Lord Holy Spirit, there is no PDA at this time.)

Blessings...
