

Letter 881
DREAM
The Gatekeepers of Hell's Resources
2021-03-07

Dear **Yeshua**,

Friday, 5 March 2021, 4:10AM.

About an hour ago I awoke from a dream.

I DREAMED THAT:

I was with my wife (M) in her car driving to Issaquah, Washington from where we live in the Snoqualmie Valley. We wanted to go to a restaurant called The Foothills.

We turned onto the exit ramp from I-90 and then left onto Front Street, and headed South into Town. Just before the intersection of Front Street and Gilman Boulevard, there are a variety of buildings on either side of the road. This is just after the I-90 overpass, and is the main entrance into Issaquah proper, heading south on Front Street.

After one passes under the freeway, the first business on the right is a gas station. The first building on the left is a small, stand-alone facility which is closer to the overpass and has housed at least a few different business over the years, most recently housing an automobile sound system store called Stereotomy.

While we were driving past the sound store I could both see and hear four or five older gray-haired women. They were all either standing or sitting in the parking lot of the stereo shop. They were talking at and to me, and they were telling me (I could hear them speak even though all the car windows were rolled up, and I was sitting in the passenger's seat) that they kept track of everyone who came into and went out of Issaquah.

(M) was apparently not aware of the Spy Ladies, as she was intent on trying to find the driveway into the restaurant parking lot. But she missed the driveway entrance on the first pass, so we had to drive around the block to re-enter the parking lot.

As we passed the stereo store for the second time, I saw that the Spy Ladies were gone.

Then (M) found the right driveway, and with some creative maneuvering brought us safely to the restaurant entrance.

END OF DREAM.

Post Dream Analysis says that:

The Spy Ladies were Hell's Resources assigned to be Satan's Gatekeepers at the North End of Issaquah. They would keep track of all comings and goings of people, and make a special note of any Christians who entered the town. They were also in charge of the HR Gatekeepers at the other Main Gates into the City.

But because the Lord put the Spy Ladies into contact with the Word of God Who dwells within me, they were given the fruits of Rule Engagement #3, and are now in the Pit. Thank You Jesus.

It was these Spy Ladies who coordinated a combined assault in both spirit-space and earth-space against another Believer which will be documented in the next Letter.

Blessings...

R. C. Theophilus
