

Letter 893  
**Jesus Said**  
*(That I May Know)*  
2021-10-17

Dear **Yeshua**,

**Sunday, 17 October 2021, 7:25AM.**

A very remarkable thing happened...

This morning a little after 6AM I was watching some online videos published by SkyWatchTV.com. The topic and content was concerning the Dead Sea Scrolls, the Essenes, and various calendars used throughout the ages.

At one point in the video, at about 6:30AM, the Book of Revelation was being talked about. This conversation got me to thinking about Jesus, of whom the Book of Revelation is written. At that moment Jesus spoke these words to me:

“EVERYTHING I AM, THAT YOU MAY KNOW.”

After this, it was impressed upon me by the Lord Holy Spirit to document these words and the events surrounding them.

Therefore, this Letter is written.

Blessings...
