DREAM
The Big Tree Stump Section
—OR—
How To Blockade A Road
—OR—
The Tree Stump From Hell
2021-12-07

Dear **Yeshua**,

Friday, 26 November 2021, 4:05AM

At about 3:30AM I woke from a dream.

I DREAMED THAT:

I found myself in my truck on 244th Ave NE., right where it “tees” off from, and begins at, the Redmond-Fall City Highway. I saw ahead sitting in the middle of the road, just at the base of the hill and to the left of the saw-mill, a large lower section of a tree trunk. It was blocking both lanes of the road.

This particular tree trunk had been cut from the base of a very large Douglas Fir tree. The diameter was at least 10 feet, and its total length was about 20 feet. The lower part of the tree stump showed that it had been cut off very low to the ground, so I could see where it transitioned from the root system to the smooth part of the trunk.

I pulled over to the right side of the road, and got out of my truck. I had a chain saw with me, so I climbed up onto the top of the log and started to cut the trunk into smaller, more manageable pieces, in order to remove it from the road.

A man who looked like **(CB59)** was there and was concerned that I might slip and fall off of the log, so he placed his foot against mine in order to help prevent me from sliding and falling off.

Just then a man who looked like **(CB63)** pulled up in his car, got out and started directing traffic.

END OF DREAM.

Post Dream Analysis Says That:

According to the Lord Holy Spirit, the tree trunk was placed in the middle of the road by some of Hell's Resources, in order to prevent the Free Flow of Traffic. This would include Goods and Services from Heaven that need to be delivered to their respective recipients.

After I spent some time thinking about this dream, I realized that my small Homelite Chainsaw would take way too long to cut up and remove the tree from the road. So I put in a request for a Heavy Duty Flatbed Truck and Crane to remove the huge trunk section and take it to a saw-mill large enough to handle a tree of that size.

It's important to note that at the base of the hill, just on the west side of the road, is a small saw-mill that has existed for over 50 years. The original owner of the saw mill was Henry Isaacson, and the people who lived around the area called the hill “Isaacson's Hill.” It was halfway up Isaacson's Hill on 244th that I had the dream in [Letter 407](#).

SPECIAL NOTE 2021-12-07: Today I received an urgent email (and then other emails) from (CB59) (see below). In the email he reports of being under some demonic assault. I have reason to believe this dream speaks to his immediate situation. (CB63) was the first to respond with a Prayer and a Rebuke.

I need prayers specifically from you both because I have also had feelings of being under demonic attack. I can usually sense them but this time it seems to be they are messing with my psyche (as if trying to make covert suggestions of God abandoning me). I have been praying and studying for a few hours before bed.

Soli Deo gloria,

Praise Jesus, you sent this at 7:37. (NOTE: *He means the (2nd) original email I sent on 4 Dec 2021 with the audio file.*)

(...), I had left this dream report aside due to being busy with work and had forgotten it.

I sent my request for prayers to just you and (...) but was not sure why. Now God is manifesting that reasoning. After hours of prayer and knowing Satanic forces were attacking or obstructing my mind from Jesus, I was told to search for "stump".

Your dream is prophetic since it was prior to my problems. The stump represents demonic forces trying to block access for you to me. That is the route (...) takes to my place and we all 3 need unity and fellowship to remove the blockage. My feelings of dread and abandonment are temptations from evil to lose hope.

It is "fortuitous" and from God that (...) asked me about Communion a while back.

This is a strong sign and has brought joy to me, even with the pain in my left leg. I will trust God to do His will and have been asking He blot out my iniquity. He already directed me to Psalm 51, a plea of David for his sin to be washed away through His mercy after repentance.

Psalm 51 (1-12)

(ESV): Create in Me a Clean Heart, O God

To the choirmaster. A Psalm of David, when Nathan the prophet went to him, after he had gone in to Bathsheba.

Have mercy on me, O God,
according to your steadfast love;
according to your abundant mercy
blot out my transgressions.
Wash me thoroughly from my iniquity,
and cleanse me from my sin!
For I know my transgressions,
and my sin is ever before me.
Against you, you only, have I sinned
and done what is evil in your sight,
so that you may be justified in your words
and blameless in your judgment.
Behold, I was brought forth in iniquity,
and in sin did my mother conceive me.
Behold, you delight in truth in the inward being,
and you teach me wisdom in the secret heart.

Purge me with hyssop, and I shall be clean;
wash me, and I shall be whiter than snow.
Let me hear joy and gladness;
let the bones that you have broken rejoice.
Hide your face from my sins,
and blot out all my iniquities.
Create in me a clean heart, O God,
and renew a right spirit within me.
Cast me not away from your presence,
and take not your Holy Spirit from me.
Restore to me the joy of your salvation,
and uphold me with a willing spirit

See the email I just sent on the epiphany of God for me to find that audio and He told me the interpretation. You are totally correct.

Thank you both. When I falter, you are both there to help me up and remember Jesus promises.

In closing, please permit me to observe that in and of itself there is nothing wrong with a tree, or wood from any section thereof. But it is the mis-placement of the tree stump which posed the problem.

This could be likened to the difference between money, and "the love of money". The former is a resource which can do a lot of good. The latter is a Tree Stump From Hell, which gets in the way of those who are on The Way to Heaven.

Amen.

Blessings...
