

Letter 905g  
**One Year And Two Week Notice**  
 2022-10-01

Dear **Yeshua**,

**Saturday, 1 October 2022, 7:38AM**

The [Lord Holy Spirit](#) and I are in the process of reviewing some of the events which led up to my motorcycle wreck in 1995, and which then led to Satan's banishment in the Northern Sahara. This month, October 2022, is the 9th anniversary of the isolation of the Devil documented in Letters 212-220.

What follows is an in-depth review of the two week period of 1-15 July 1995, plus a very important event which occurred one year earlier.

<b>July 1995</b>						
3-MON	4-TUE	5-WED	6-THUR	7-FRI	8-SAT	9-SUN
10-MON	11-TUE	12-WED	13-THUR	14-FRI	15-SAT	16-SUN

**0) Monday, 18 July 1994**

I see a news article in the Seattle Post-Intelligencer reporting that parts of a comet (*Shoemaker-Levy 9*) collided with the planet Jupiter, causing massive explosions and light transmissions which could be clearly seen with the Hubble Space Telescope. The [Lord](#) then led me to write a prophetic Word concerning this event, as follows:

JUPITER, THE ROMAN GOD OF WAR, TAKES A HIT FROM YAHWEH.  
 "THESE WERE WARNING SHOTS. THE NEXT ONE WON'T MISS."

(See evidentiary documentation: ED-01, ED-02, ED-03)

**1) Monday 3 July 1995**

I have this day off from work as part of 4-day holiday weekend. I go up to (G10) for breakfast and to get a newspaper to find out the theater times for the movie "Batman Forever". It is here that I first read in the paper about (CS1)'s tragedy. See Letters 13, 14, 150, 151, 152, 153.

**2) Tuesday, 4 July 1995**

Our Church met at Brother's house on Alki beach for the 4th of July celebration. I shared with my pastor, (CB12), about (CS1), and asked him whether I should attend her sentencing hearing. He advised against it.

**3) Saturday 8 July 1995**

I went out for ride to try to clear my head and seek the Lord about all that was going on. I first rode to (U19) to seek supportive help in the form of prayer. But I found only opposition. Then I ride (unknowingly being led by the [Holy Spirit](#)) down to Gene Coulon Memorial Beach Park, where Satan's ambush against (CS1) first began to take shape.

**4) Friday, 14 July 1995**

(CS1) turns herself in to King County Jail. That evening I walked to an old, vacant cedar sawmill, not far my house, so I could be alone and intercede in prayer for her. I had already been here many times since 3 July for prayer.

**5) Saturday, 15 July 1995**

(M) and I take a severe hit from Satan, leaving us broken in both body and spirit. This brokenness has continued to this day. See Letter 231.

**6) Sunday, 29 September - Wednesday, 9 October 2013**

Satan takes a severe hit from Yahweh. The Devil is banished to the Northern Sahara, and has all communications with his resources completely cut-off. This is the first time in History that this has ever happened. All Glory, Praise and Honor to Jesus and His Father. Amen.

It was during this two-week period that I began to learn two things about myself.

**A.** I began to learn more fully that I was a prophet.

**B.** I began to learn much more clearly that Creator God Yahweh is my Dad, thereby confirming the Scripture which teaches that I am His adopted son. These teaching modules continued into the time that I was incarcerated as a patient at Harborview Hospital. See Letter 261.

Blessings...

R. C. Theophilus
