

Letter 905h
Church Fallen Angel Removed
 2022-10-12

Dear **Yeshua**,

The first part of this Letter is an edited transcription of an audio Field Report.

This is a second field report about the church (U19). While I was at the Church meeting yesterday (*last night*), I was thinking about the two church angels I have (*already*) met.

The first one I remember hearing about in about 2016 on a YouTube video, who had the title “Breaker” (see Letter 505a). When I went to one of the revival meetings there at about that same time, the Breaker angel challenged me, he wanted to clarify whether I was of Yahweh (God).

And I challenged him right back, per Scripture. So, we both did our challenges, and both satisfied each other’s (*Kingdom*) credentials.

Now, it was kind of a formality, because angel Gabriel was already there (with the two of us), and it was he who introduced angel Breaker and me to one another. It was a foregone conclusion that we were both legitimate. However, in obedience to Scripture, both this angel and I did what Scripture said to do, which is to challenge (try) the spirits. Angels have to do that too, ((“try the spirits, to see whether they be of God”); because from their own ranks came the (first) rebels). So, they (the faithful angels) have to do the same thing periodically.

OK. That was years and years ago. So now, very recently, I met another (U19) church angel. (Remember, there were three churches that came together to merge and form this one church (U19).

And so the one church angel, Breaker (whose actual name is John. “Breaker” is his job specialty description). But that’s his name, “Breaker” John. He “breaks apart” works of the enemy and stuff. (I think he’s being activated in breaking apart this division that we’re working on. Anyway, that’s another story.)

So then, a week or two ago, I am being introduced to one (of the associate) pastors (CB79), who is wanting to call me by the name “Walter” (which is not my name). So I say to him; “no, my name’s not Walter, my name is (...). The only Walter I know is Assistant Director Walter Skinner, from the X-Files TV show.”

So, that was kind of funny, but later on I got to thinking “why would he call me Walter?”, to which the [Lord Holy Spirit](#) replied that ...

“... WELL, ONE OF THE OTHER (church) ANGEL’S NAME IS WALTER”.

OK. That was a couple weeks ago. But last night, while sitting in my chair in the service, I was thinking about this, and that I don’t know the third angel. In the midst of these thoughts came the name “Cynthia”.

Well, today I am sitting in my office chair, wondering what the name Cynthia means. After some online research, I discover it is derived from an old Greek name which means “moon-goddess”.

And I go “huh”. So, I’m asking the Lord, “Is Cynthia a good girl, or a bad girl?” Turns out, (*according to the Lord Holy Spirit*) that Cynthia is a deceiving angel.

So, I go: “That’s the source of their troubles, the problems they have had. She’s working (*her evil*) in the background.”

So, now I’m trying to figure out, asking the Lord to help me figure out what the solution is.

I think the solution right now is to replace the “falling” angel Cynthia with a faithful angel named Deborah, who will bring in the (*Scriptural*) “Deborah-spirit” to (U19).

This is very interesting. Maybe Cynthia was in the process of falling (*many years ago*), because I may have met her in a dream once. I’ll have to figure this out before I “blather-talk” and muck up the truth with my own ideas. Very interesting. I’ll have to analyze this some more.

END OF FIELD REPORT.

Tuesday, 11 Oct 2022, 10:42AM.

Some time after I made this report, the [Lord](#) and I removed fallen angel Cynthia via verbal MMIP request, and replaced her with a faithful angel named Deborah, and who ministers the Anointing of Deborah.

The bottom line is that as of this writing, the Church (U19) now has three faithful church angels: “Breaker” John, Walter, and Deborah.

P. S. I also looked up the meaning of the name Walter. One online source defines Walter thusly: *“The name Walter is Germanic in origin and means “commander of the army.” The name is derived from the Germanic elements “wald” meaning “rule” and “hari” meaning “army.”*”
