

Letter 910  
**Baphomet Executed**  
2022-04-16

Dear **Yeshua**,

**Saturday, 16 April 2022, 9AM**

A while ago I began to see on some internet sites references to an evil spirit called "Baphomet."

One of the reports was about an after school club dedicated to satanism. Included with the news report was a picture showing the founder of the club, Lucein Greaves, standing next to a statue of Baphomet.

While there are many sites that describe Baphomet, I will quote the Wikipedia definition:

*Baphomet is a symbol of balance in various occult and mystical traditions, originating with the Gnostics and Templars, although occasionally purported to be a deity or a demon. Since 1856 the name Baphomet has been associated with the "Sabbatic Goat" image drawn by Éliphas Lévi, composed of binary elements representing the "symbolization of the equilibrium of opposites": half-human and half-animal, male and female, good and evil, etc. Lévi's intention was to symbolize his concept of balance, with Baphomet representing the goal of perfect social order. (<https://en.wikipedia.org/wiki/Baphomet>)*

This morning, at 7:55AM, we MMIPed Baphomet and sent him to the Pit. See executed MMIP document here.

At first he appeared as the tall goat demon in the picture I had seen, but then as he stood in the presence of Yahweh, I saw him shrink down to a smaller, human looking stature, revealing to me how he appears to God.

I got a pretty good look at his true appearance. He is really a "shrimp" of a "man", but with a strong deceiving spirit.

Anyway, the MMIP was executed, and Baphomet is no more on the face of the earth.

I pray that the residual influence of Baphomet in the world will be de-resonated with Praise and Worship for Yahweh by His people, the Church Body of Christ.

Amen.

Blessings...

R. C. Theophilus
