

Letter 913d
The Family Business - Part 4
DREAM
The Two Word-Faith Shoppers
2022-06-04

Dear **Yeshua**,

(Parts of this Letter are based on a transcript from a recorded audio dream report)

Saturday, 4 June 2022. 7:17AM

During our conversations over lunch, I learned that (CB75) and his wife and family had recently changed churches. This was because the church leadership of the one they had just left had brought in a doctrine called the Word of Faith, or Word-Faith.

This doctrine is a combination of distortions of certain Scriptural texts along the spirit of Love-of-Money, also known as "Evil Mammon". Other spirits are involved such as Greed, Fear, and Poverty. Witchcraft is also part of the overall operation of the Word-Faith doctrine.

This morning the [Lord Holy Spirit](#) gave me a dream regarding the Word-Faith deception.

I woke up a little after 4 AM from a dream.

I DREAMED THAT:

I was in Bellevue, Washington on a sidewalk, pushing my all Stainless Steel Janitor's Cart which I had used at the Hospital (G6) for most of my career as a Hospital Janitor.

I was a few blocks south and east of Bellevue Square. I knew that I wanted to go to the Square to do some cleaning.

So I got on a local City Bus and rode the few blocks to the Square. After getting my cart and myself off the bus, I began to push it along the sidewalk up to the main building.

I got to the place where the sidewalk paralleled the outside of the building before it made a 90 degree turn to the left and continued to the main doors.

It was very early in the morning. Even though it was still somewhat dark outside, the parking lot lights were on, and there was enough light from the Coming Dawn so that I could see clearly

To my left was a flower bed that was about five feet wide, and stretched along the entire length between the exterior wall and the sidewalk.

Just before I turned the corner, I saw two bodies laying in the shrubbery of the flower bed.

I stopped my cart and went over to investigate. I saw two oriental appearing women. One was older, and one was younger. They were both dressed in the same pink floral dress.

Both women had their hands bound behind their backs with what appeared to be plastic beaded necklaces. I knew they were a mother and daughter. The necklaces were thin, and could have been easily broken with just a little strength.

But both the Mother and Daughter were at the brink of Death. I at first thought that they were already dead.

I shook the Mother till she revived. Then I went to the Daughter and could tell she was almost dead. I put my hands under her arms and raised her to her feet. While doing so I said in a loud voice:

“WAKE UP! WAKE UP!”

By this time some onlookers had gathered in the parking lot about 20 feet away. I asked in a loud voice for someone to call 911.

Then I noticed a two or three motorcyclists. They were mounted, and facing me. The Leader was wearing a full-face helmet, which had a reflecting face-shield, so that I could not see the Rider's face.

END OF DREAM.

Post Dream Analysis Says That:

Upon inquiring of the [Lord](#), I learned that part of this message has two simultaneous meanings.

The two women:...

1. ... represent a Church Mother and Her Daughter, who both have been seduced by the Word-Faith movement in the Church. They have become bound by that doctrine, which has been slowly killing them as they attempt to purchase things at the Market using the supposed increase of wealth the W-F Doctrine brings to its adherents. I wanted to awaken the Church before it died from deception.

2. ... are in actuality two demonic spirits assigned to the Church in Bellevue who HR had designated to receive the Word-Faith deception. The Motorcycle Leader whose face I could not see was their fallen angel overlord.

According to the Lord, the Lead Rider was a Spirit of Wickedness in a High Place, who was in charge of the Word-Faith deception globally. The two demonic spirits laying on the ground were assigned to the Church in Bellevue to promote this deception.

ROE-3 was applied in the dream, and all three evil spirits have been cast into the Pit.

All Hail King Jesus.

Blessings...

R. C. Theophilus
