

Letter 915c
12 Bullet Points
2022-12-21

Dear **Yeshua**,

Tuesday, 29 November 2022, 9:24AM

Based upon recent conversations I have had with Church Members, it occurred to me to write down a bullet point list of the various spiritual experiences I have had since my childhood.

Here therefore is representative list of certain events which I experienced:

SEQ) AGE/YR)

01) 4/1962) I heard, out loud, Satan laugh at me (L02).

02) 4/1962) **DREAM** - Seeing my parents skinned alive (L02).

03) 5/1963) While my mother was driving, an **unseen force** opened the back car door and threw me out onto the road (L02b).

04) 7/1966) I repented of my sins with much weeping, and asked Jesus to become Lord and Savior in my heart. I was **Born Again**.

05) 14/1973) I was **baptized with the Holy Spirit**, and spoke in a language not known to me (L04).

06) 28/1987) **DREAM** This is the first dream I can remember with **Jesus** being present (L07a).
(I have had many other dreams since this one in which **Jesus** was present).

06a) In the early to mid-nineties, I had a series of other interesting dreams & visions (L09a-09n).

07) 33-36/1991-1995) I began seeing **Jesus** in the spirit (mainly at restaurants) (L520).

08) 36/1995) Motorcycle Wreck - This was caused by **Satan** himself. I had very intense dreams/visions in the Hospital (L261).

08a) I may (very likely) have had an out of body experience in the Hospital.

08b) I was vibrating in the Hospital (L284).

09) 37/1996 I saw the face of an angel from **Heaven** (L25).

10) 38/1997 I hear words in my inner ear. I spent too much time analyzing what I heard, which caused me to lose about \$200,000.00 in profit on a commodity futures investment (L19).

11) 42/2000 **Jesus** re-appears (so that I can see Him) in spirit daily at work (L11).

12) 64/2022 **Jesus** turns on our Christmas Tree Lights, multiple times.
