

Letter 916
This Year In Spook Army
Final Letter of 2022
 2022-12-31

Dear **Yeshua**,

Well. What a year.

I have not written very many Letters this year due to the ongoing stress of resisting and wrestling with Hell's Resources (HR), including various spirits of witchcraft. This kind of oppositional activity leaves me tired, lethargic, sore, and unmotivated.

Angel Gabe tells me that the reason I have a difficult time writing is because I expend most of my "writing energy" in engaging "the Borg". However, [The Lord Holy Spirit](#) has given me a "work around", a way to write, even though I am too tired to do so. It is through the use of "bullet points".

(My inability to write is not the same thing as "writer's block", where the author cannot find content to write about. I have plenty of content. Just not the energy to process the content into written word.)

Therefore, here is a list of items of interest which have occurred this year.

0) My Church (U27) continued to meet on ZOOM video (ZOOM only since March 2020 due to COVID-19).

01) I attended ZOOM Church meetings on Sunday mornings with (U27), and in-person Church meetings Sunday evenings at Church (U19). There I met new friend (CB73).

01a) My ZOOM Church Pastor (CB65) with his Christian Metal Rock band (G27) put on a concert in Ohio in February.

01b) Pastor (CB65) suffered a severe hemorrhagic stroke in Ohio - on **21 February 2022**.

01c) Pastor (CB65) was hospitalized. His wife (CS27) stayed with her husband throughout all his ordeal of sickness and disability.

01d) ZOOM Church (U27) is then pastored by two interim Pastors from another Church. Pastor (CB82), and Pastor (CB83). Sunday morning ZOOM Church meetings continue.

01e) Pastor (CB65) moved from hospital to rehab facility. Began to show signs of recovery.

01f) Pastor (CB65) moved to rehab facility near St. Louis, Missouri.

01g) Pastor (CB65) was hospitalized with pneumonia on **22 July 2022**.

01h) Pastor (CB65) falls asleep according to Scripture. His body dies and he is called Home to be with **Jesus** on **29 July 2022**.

01i) On Sunday, **25 September 2022**, ZOOM Church (U27) had its final meeting. The Church is then dissolved, with members being led by the **Lord Jesus** to other flocks.

01j) In **October 2022**, the Lord led me to a new Church (U28). I discontinue meeting Sunday evenings at Church (U19).

02) I continue to have dreams, visions, and experiences which I document with audio recordings for future transcription into writing. (CS14) helps greatly by providing transcription services.

03) On Friday, **25 November 2022**, I took Thanksgiving Dinner to my Sibling Brother (CB19). Later on that day he called me by phone, saying he needed to go to the Emergency Room. I called 911 on his behalf. EMTs talked with him by phone, and determined he should go see his doctor.

03a) On Tuesday, **29 November 2022**, I talked with (CB19) by phone. I could tell he is not well. I called 911 again on his behalf. This time the EMTs came to his apartment, and then transported him to the Emergency Room of Evergreen Hospital.

03b) On Tuesday, **29 November 2022**, our sibling brother (CB18), and his wife (CS9) arrived back home from Holiday travels.

03c) On Wednesday, **30 November 2022** at about 2AM, (CB19) is transferred to Harborview Hospital in Seattle. Later that day, (CB8) came to visit (CB19) at Harborview.

03d) On Saturday, **3 December 2022**, (CS9) and I visit (CB19) at Harborview.

03e) On Wednesday, **7 December 2022**, I talk with (CB19) by phone. It is then that I hear him pray out loud for our Father in Heaven to forgive his sins.

03f) On Friday, **9 December 2022** at about 3PM, (CB19) experiences cardiac arrest. **Jesus** then takes (CB19) Home to be with Him in Heaven. (CB19)'s official time of death is 1517 hours, or 3:17PM -Pacific Time.

03g) On Sunday, **25 December 2022**, [The Holy Spirit](#) gave me a prophetic word to proclaim concerning (CB19). This will happen next year, **AD 2023**, at a time and place of the **Lord's** own choosing.

04) On Thursday, **22 December 2022**, we had yet another Treefall incident. The first of three trees fell from our neighbor's yard, with the tip landing on our Chrysler 300, leaving a rather large gouge in one of its doors. Part of the tree hit the rear of the Toyota Avalon, shattering the window and denting part of the roof and trunk lid. The tree also severed the phone/DSL cable leading to our house. The top of the first of the trees to fall severely damaged our Chrysler 300, and broke out the rear window of the Toyota Avalon. It also broke our Telephone/DSL cable.

04a) But then, on **23 December 2022**, two more were blown down, Douglas Fir-trees also falling from our neighbor's front yard. The top of the second tree damaged the main power cable and transformer, and also damaged the front glass of the Toyota. The top of the third tree went over the main power cable and the road, but also damaged our neighbor's RV, and broke his power cable.

04b) Recovery teams from the Power Company and a Tree Removal Company, secured by my neighbor, arrived swiftly. By yesterday afternoon the power was restored, and by this afternoon all the trees had been cut up and removed out of the way. The phone/DSL Company will take a little longer to arrive.

05) On Thursday, **1 December 2022**, **Jesus** commanded that our Christmas Tree Lights be turned on (miraculously) by one of **His** Unseen Agents (commonly referred to as angels). So far, **Jesus** has had our Tree Lights turned on at least 8 times in this manner this Christmas alone. The most recent occurrence, which happened on Saturday, **24 December 2022** - 12:37PM, **(M)** and I were together in the TV room looking right at the tree when the lights came on. This was the first time the tree lights had come on in both our immediate presence and witness, and it was way cool...

06) Speaking of “bullet points”, this has been the year of Preserving the Second Amendment. Sometime in the Spring of 2022, **Jesus** told me **He** wanted to “preserve the Second Amendment”. Not long after that, the United States Supreme Court, on **23 June 2022**, decided in favor of the 2nd Amendment in the case of New York State Rifle & Pistol Association, Inc. v. Bruen, 597 U.S. ___ (2022) (see this Wikipedia link). Soon afterward, there was a “Good Guy (20 year old Elisjsa* Dicken) With A Gun” incident at a mall in Indiana. This happened on **19 July 2022** (see this Newsweek link). These, along with the many 2A dreams I have had this year, gives me great encouragement that **Jesus** is keeping **His** word; that **He** is preserving the Second Amendment.

07) This week, 19-25 December, we had a snow-storm, a wind-storm, and an ice-storm. Between Thursday 22 December and Friday 23 December 2022, during the wind-storm, the evil spirit known as “Mother Nature” (a.k.a Mother Earth / Gaia) came to my neighbor’s house and dropped three trees. Then, on Wednesday 28 December, this evil spirit (who, according to the [Lord](#), is a spirit of wickedness in a High Place - see Ephesians chapter 6) had the audacity to motivate and accompany a human couple who lives just a few streets away from my house, venture out and take a tour of the neighborhood. This couple, under the “anointing” of Ma Nature, wanted to see the damage from the destructive winds which blew through my neighborhood just days before. This couple then helped themselves to come onto my property while I was raking up debris. Mother Nature wanted to gloat at her handiwork. After I showed the lady the gash in the door of the Chrysler 300, before parting, the lady said to me that “Mother Nature can be a Bitch.” But in her gloating, Ma Nature ignored “Our Father Which Art In Heaven”, who established His Son Jesus as my Savior, Lord and King. King Jesus then applied His Rule of Engagement #3 to Mother Nature, which immediately sent Mother Nature to the Pit, which is considerably deeper than the average grave depth of 6 feet.

Therefore, we end A.D. 2022 with another victory, which is attributable to King Jesus.

Hallelujah!!!

All Praise, Worship, Gratitude, and Thankfulness to Our Father, His Son Jesus, and His Spirit.

Amen.

Blessings...

R. C. Theophilus
