Dear **Yeshua**,

**Thursday, 1 June 2023, 8:52AM**

I have been thinking a lot lately about my own spiritual history. And I have come to characterize much of my Journey Home in this fashion:

I ... :

- 1) ... was Conceived in the Holiness Church (Church of the Nazarene - Portland, Oregon).
- 2) ... was Born Again in the Pentecostal Church (Bethel Temple - Seattle, Washington).
- 3) ... was water baptized in the Pentecostal Church (Snoqualmie Assemblies of God - Snoqualmie Washington).
- 4) ... received the Gift of the Holy Spirit among the Nez-Perce Indians on Native American soil (Spokane Indian Reservation).
- 5) ... was raised to Spiritual Adulthood by the Jesus People Church (Union Hill and Calvary Chapel - East King County, Washington).
- 6) ... was given my Prophetic Spiritual Commission with the laying on of hands in both the Pentecostal Church and the Jesus People Church. See Letter 59.
- 7) ... have been taught all my life as a Student of the Holy Spirit.
- 8) ... was privately tutored by Jesus in the ways of Spiritual Warfare. See Letters 23-36.
- 9) ... was and still am given advanced, collegiate level training by select angels sent by our Father and by His Son Jesus.

But as I was pondering these things, I discovered that I do have a dilemma. Even though my Birth Mother is the Pentecostal Church, I am not a Pentecostal; meaning that I do not typically demonstrate my gifts in public, for all to see.

Indeed, quite the opposite is the case. I prefer solitude more than company, although the solitude that I prefer is in the Presence of Yahweh and a few of His angels\*\*. This means I am not alone in my solitude. What I am is at Peace in His Presence.

It was then that the Lord Holy Spirit showed me that I am similar to Mr. Spock, of Star Trek.

Spock was born half Vulcan and half Human. His Vulcan father was married to a his Human mother. Spock was raised on the planet Vulcan, and received the Vulcan training that gave him the resources to keep his emotions in check.

This was through self-discipline which gave him the mastery through self-control, keeping his human half subdued. But there were a few exceptions where he exposed and worked with his human half in order to better serve his Captain. (See Star Trek (The Original Series) Season 3:Episode 19 “Requiem For Methuselah, the last scene.)

In similar fashion, I keep my Pentecostal side hidden, so that my Jesus People-Evangelical side can show.

Even though I can speak in tongues, the Apostle Paul stated that it is better to prophesy, so that the hearers can benefit from understanding what is being said.

This is why I pray that I live a Prophetic Life before Jesus, so that the Testimony of my life is clearly understood by those who hear of it.

To quote Keith Green,

“MAKE MY LIFE A PRAYER TO YOU...”

Therefore, I would say to others; the Pentecostal Church is still my Mother. And so I defend her honor when I hear her being criticized by her accusers.

In other words;

“LEAVE MY MOM ALONE.”

If my Mother is to be judged, it will be by her own Father, and her Betrothed Bridegroom, Jesus.

\*\*(An exception might be in keeping company with Church Family. This I also prefer, only in “twos or threes”, and in smaller doses for larger gatherings.)

**(SPECIAL NOTE 2023-06-01:** The Lord has also given me the analogy that my ministry has elements similar to those of “James Bond”, “Dirty Harry”, and Mike Rowe’s “Dirty Jobs”.)

Blessings...

R. C. Theophilus
