The War Continues

Dear **Yeshua**,

Sunday, 9 June 2024, 7:43AM

The War against Witchcraft in the United States and the American Church continues. Please see [this video](#), and [this page](#).

PART 1: DISABLING PAIN INCREASE

As I sit here at my desk, I do not want to write anything. I am very sore inside (*my inner, spirit-man*), and my (*physical*) spine is emitting symptoms of further deterioration.

In a few days, I will be seeing the surgeon who performed the surgery on my lower spine in June of 2016 (see Letters [449](#), [486](#), [489](#)), in order to try to determine the cause of the returning sciatica pains in my right hip and leg. These are the same pains that led me to have surgery in the first place.

PART 2: THE WITCHCRAFT OF THE DEMOCRATS

Ever since the Democratic Party through Joe Biden began occupying the Office of President in January of 2021, and bringing the Spirit of Witchcraft with them into their administration, I have gained back over 25 pounds, due to my inability to walk (*exercise*) on any regular basis, and having to lay down more than normal due to elevated pain, and using food as a pain distraction.

This is due to the fact that my intercession against Hell's Resources in this Nation leaves me in a state of spiritual disability, which can only be remedied by the direct and ongoing gifts of healing given by the [Lord Holy Spirit](#) and [His](#) angels.

The Democratic Party and Joe Biden are in a continuing state of rebellion against the United States Constitution and the Rule of Law - which reveals this doctrine:

1 Samuel 15:23

23 For **rebellion** is as the sin of witchcraft,
 And **stubbornness** is as iniquity and idolatry.
 Because you have rejected the word of the LORD,
He also has rejected you from being king."

It is our active, ongoing intercessions against witchcraft and related sins that elevates my pain. This has also taken a toll on my writing, as I lack energy to put words to keyboard.

Since this is true, it stands to reason therefore that as soon as the Democratic Party is removed from Office, my pains will recede, which will make it easier for me to walk again, and easier to reduce my intake of calories.

By the Grace of **Jesus**, during this time, I have still been able to audio record my dreams and visions, but as of late, there are a number of dreams, visions, and field reports that I have not had the strength to record.

I am sure it is with the aid and assistance of the **Lord** that I am able to write this Letter, which is only the third Letter of A.D. 2024. In previous years I was able to average about one Letter per week, and even more in the earlier Volumes.

As of now, what the **Lord** keeps saying to me whenever the pains cause me to cry out to **Him** are Words from these Verses:

Romans 10:13

13 For “whoever **calls** on the name of the LORD shall be saved.”
(*As Intercessor, the salvation I receive is given to the entire Nation*)

Isaiah 40:31

31 But those who **wait** on the LORD
Shall **renew** their strength;
They shall **mount** up with wings like eagles,
They shall **run** and not be weary,
They shall **walk** and not faint.
(*As Intercessor, this benefit is also given to the entire Nation*)

While looking up these two Scriptures, I found another, similar verse:

Psalms 116:13

13 I will take up the cup of salvation,
And **call** upon the name of the LORD.

So, I call upon **Yahweh**, a whole lot. Very frequently, and very often.

PART 3: ABUSE BY LAW ENFORCEMENT

In addition to interceding for the Office of President, we have also been interceding for the Profession of American Law Enforcement.

In the last two or three years, I have spent untold hours reviewing videos of Law Enforcement Officers interacting with their neighbors and other citizens. Most of the videos document un-Constitutional behavior on the part of Law Enforcement, revealing the effect of the presence of curses and un-repentant sin within the ranks of Police Officers and Sheriffs.

I think that as soon as Michael is finished helping Israel destroy Hamas, he will return to my house (see [Letter 612](#)). At that time I will pray and ask **Jesus** if **He** would be willing to send both Gabriel and Michael into Law Enforcement and begin the clean-out and healing process that is required to remove HR elements and return American Law Enforcement to the Status of Honor it once occupied in the U.S. See [Letter 286](#).

PART 4: (M)

Within the last 40 days, within a one week time-period, my wife (M) twice fell down onto the floor. Both times we needed to call the Fire Department to pick her back up. This was troublesome, and it revealed the need for (M) to use a walker whenever she moves from room to room in the house.

Since (M) and I are both disabled, we have all the more need to call upon the **Name** of [The Lord](#) for ongoing salvation from the effects of our disabilities.

Amen. Thank **You Jesus** for everything.

Blessings...
