Dear Dan,

I think I mentioned earlier that a few years ago I purchased the book "Tortured For Christ" by Richard Wurmbrand.

Lately I have been reviewing various chapters, and found a quote the Lord highlighted to me. Here it is:

*"We instructed Christians to join the secret police and put on the most hated and despised uniform in our country, so they could report the activities of the secret police to the Underground Church. Several Brethren of the Underground Church did this, keeping their faith hidden. It was difficult for them to be despised by family and friends for wearing the Communist uniform and not reveal their true mission. Yet they did, so great was their love for Christ. ...*

*When I was kidnapped by police and kept imprisoned for years in strictest secrecy, a Christian doctor actually became a member of the secret police to hear my whereabouts! As a secret police doctor, he had access to the cells of all prisoners and hoped to find me. All if his friends shunned him, thinking he had become a Communist. To go around dressed in the uniform of the torturers is a much greater sacrifice than to wear the uniform of a prisoner."*

=====

And so the Lord stashes His people where He wants them for His purpose. Perhaps that was/is the Lord's purpose in approving my employment at (G6), which I have despised, loathed, and hated.

I will be celebrating the completion of my 11th year there this July. Yet I still depend on prayer and my audio to provide the distraction I need to not think about being there.

But because of this, and I have come to appreciate the Word of God more than ever.

Blessings...

R.C. Theophilus
