

Letter 131  
**VISION**  
**Penetrating Oil**  
2012-07-23

Dear Dan,

**2012-07-17, 9:15PM Pacific Time.**

As I was driving to work at this time, I began to think about the manager of the department I work in at (G6) and his most recent maltreatment of me. Then I began to see a vision.

**IN THIS VISION:**

I see Jesus with the Holy Scriptures in His hand, standing over the Manager (P7). Jesus then began to pour the Oil of the Holy Spirit out of the Holy Book over the Manager's head.

The oil penetrated and dissolved, from the top down, the evil spirit of idolatry that was encased around the Manager, which was preventing him from hearing the Truth and responding in Compassion.

**END OF VISION.**

Blessings...

R. C. Theophilus
