VISION
Penetrating Oil
2012-07-23

Dear Dan,

2012-07-17, 9:15PM Pacific Time.

As I was driving to work at this time, I began to think about the manager of the department I work in at (G6) and his most recent maltreatment of me.

Then I saw in a vision Jesus standing over him with the Holy Scriptures in His hand, pouring the Oil of the Holy Spirit out of the Holy Book over the manager's head.

The oil penetrated and dissolved, from the top down, the evil spirit of idolatry that was encased around him and preventing him for hearing the truth and responding in compassion.

End of vision

Blessings...

R.C. Theophilus
