

Letter 138  
**"I Have A Dream"**  
 OR  
**The Antagonism Of Angels**  
 2012-09-16

Dear Dan,

During the first part of the Day of 7, after Jesus revealed angel Gabe and company, I had occasion to get mad at "them" and very discouraged at their presence and ministry in my life. I don't remember about what. It's likely that because part of my personality likes solitude and being alone (with God), I thought "they" were a little too close for my own comfort. This happened one night at work at (G2) at the elementary school.

But, some back-story is needed to make sense of the rest.

A few years before, in 1997 I had a desire to know just how Church was supposed to be. So, based on what I already knew of Scripture and what my desires were, I wrote a list of things that I wanted to see. At the same time I remembered hearing the "I Have A Dream" speech by Dr. Martin Luther King Jr., so I titled my list "I Have A Dream".

Here is what I wrote down:

= = = = =  
**I Have A Dream**  
*30 November 1997*

*And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, your young men shall see visions, and your old men shall dream dreams.... Acts 2:17- KJV*

I have a dream...

>>>**That** we (the Church, the Dwelling Place of God) may worship the God of the Bible rather than the Bible of God.

>>>**That** we may receive all the fingers of God's hand rather than one or two (And what are these fingers? Apostles, Prophets, Evangelists, Pastors and Teachers).

>>>**That** the Strong may lay themselves down as a Bridge for the Weak, so that both may see Jesus more clearly.

>>>**That** we may seek for the Kingdom of God rather than the kingdom of church.

>>>**That** we may return to the simplicity of Scriptural Church Government; that of Elder and Bishop, and the plurality thereof.

>>>**That** we may return to the value of Eldership.

>>>**That** we may see that we ARE the Church, ALL the time EVERYWHERE.

>>>**That** we may obtain the Fear of God.

>>>**That** we may receive Supernatural Gifts as a routine part of Christian Living!  
>>>**That** true Hospitality will once again be preached and practiced.  
>>>**And finally, that** our Lord and His Gospel will be Preached and Practiced throughout the Land.  
Amen.

=====

So it was one night at work at the elementary school that I was very tired and frustrated. I just wanted all the angelic “distractions” to go away. I wanted the pain to go away. I wanted to win the lottery so I wouldn’t have to work anymore.

While I was experiencing these thoughts and related emotions, I wandered into a classroom and leaned up against a student desk at the front of the room facing the chalkboard. I just stood there with my arms crossed for a minute thinking, then rubbed my eyes while I gathered my strength to finish the night’s work.

Then, before moving, I looked up at the chalkboard and saw something that caught my attention. This is what I saw at the top of the board:

I saw a poster of a stencil drawing of Dr. Martin Luther King Jr., along with the phrase “I Have A Dream”. And standing as close as possible next to Dr. King, in a lighter shade of white, were two angels, one on each side of him. I then remembered what I had written a few years earlier, and that I had never really forgotten, as it had become something I was looking for.

Then my anger receded since I knew the Lord was sending me a message. And it gave me something to think about for the rest of the night, and something to write about many years later.

Blessings...

R. C. Theophilus
