

Letter 175  
**The Word Against Hermes**  
2013-03-21

Dear Dan,

One of the main reasons that Satan has targeted the medical profession more than others is due to the inherent fear that is resident, especially in hospitals.

Patients are afraid of pain, suffering, financial ruin, and death. Doctors are afraid of malpractice and one another. Female nurses are afraid of male co-workers. Managers are afraid of theft. Upper Management is afraid of Negative Publicity. And workers are afraid of getting caught taking extended and/or too many rest breaks.

Modern medicine has a lot to be commended for. But the Medical Colleges deviate from the truth of God where He says:

*“For in six days the Lord made heaven and earth,  
the sea, and all that in them is, ...”*  
**Exodus 20:11a**

In that the doctrine of “evolution” has evolved to become the prevalent operating philosophy in western scientific societies, there then is a displacement of any certain knowledge that The Almighty God created all things within the chronology He described through His prophets.

Add to that the constant pressure to maximize income while minimizing risk, along with the new mandate that “all” US citizens participate in a financial scheme intended to help alleviate the fears listed above.

This then provides the components of a “perfect storm” of both **deception** and **bondage** for the entire nation. “Jonestown” on a national scale.

Deception- in that the nation is deceived into thinking that financial consideration will “deliver us from evil”. Bondage- in that failure to pay will criminalize those who don’t, making new criminals where before there were none.

Unlike the Patient Protection and Affordable Care Act of 2010, the Word Against Hermes is simple and easy to remember:

*“And my God shall supply all your need  
according to His riches in glory by Christ Jesus.”*  
**Philippians 4:19**

AND

*“For God has not given us a spirit of fear,  
but of power and of love and of a sound mind.”*  
**2 Timothy 1:7**

Walking in this Word will, in the life of the Believer, overcome and nullify Satan’s application of the work of Hermes.

But what of the Nation?

Blessings...

R. C. Theophilus
