

Letter 184
9/11 Revisited
2013-05-07
(Revised 2015-03-01)

Dear Dan,

Lately I have been thinking about 9/11, especially since working on the audio version of Letter 41. And at the same time the Lord began to express His thoughts on the matter. Now, I am aware of the many conspiracy theories that abound concerning 9/11. Even the Prophet from Wasilla believed there were “things questionable” about how the World Trade Towers fell, and that there had been explosive charges planted ahead of time, etc. And then there were the surrounding buildings that “must have been blown up” by the ATF, CIA, FBI, NSA, or some other such three-letter federal agency.

And every time I heard someone spout off about a conspiracy, I knew they were missing something. There is another three-letter organization* that is even more secret than the ones already listed above that they never mentioned.

The Scripture records Jesus as saying;

**“All authority has been given to Me
in heaven and on earth...”**

Matthew 28:18

And so I have heard many variations of conspiracy theories surrounding 9/11. But no mention was ever made of Jesus, and His will. He has a “three-letter agency”* that has already been mentioned in these letters. They are His angels that do His will. And it is He that shapes every moment in time to bring about the fulfillment of His Word. Every event in time happened, is happening, and will happen according to His will, so that when He is ready;

**“... He delivers the kingdom to God the Father,
when He puts an end to all rule and
all authority and power.”**

1 Corinthians 15:24

No one died in the World Trade Center tragedy on 11 September 2001 whose time had not come according to the will of Jesus (as already stated in His Word). Even the terrorists were allowed to have their “evil day,” having all their evil activities “shaped” by “He who lets”.

If some building or structure or plane appeared to have fallen differently than technology or laws of physics might allow, it was due to supernatural influence, making sure that only things to be damaged were, only those to be hurt were, and only those whose time it was to perish from the earth did so. Put Jesus in every inexplicable thing, study His Word, and the Truth will be found.
