DREAM
The Word Against "The Cleaning Lady"
 2013-08-27

Dear Dan,

It has taken this many months from when "The Cleaning Lady" was first identified as a potential target of opportunity till now when I have been given a clear objective, having given much thought off and on as to exactly what this means.

"The Cleaning Lady" idea was first presented in a dream the Lord gave to me regarding my brother (CB7) (see Letter 12f), who I continue to pray for, that he will be healed of demonic incursion. In the dream one of the demons was revealed as a "Cleaning Lady."

The most likely deduction I can come to is that one of the vectors into (CB7)'s soul was from some kind of abuse he suffered at the hands of someone he trusted, but who turned out to be a "hireling."

My mom in the early part of our family life would clean houses for other people. I remember being taken along with my brothers to various houses and waiting for my mom to finish cleaning. I suspect that (CB7) was infiltrated with demons, at least partially, at one of these houses.

As I write this and inquire of the Lord as to the meaning of the dream, the Scripture comes to mind of the woman adding leaven to three measures of meal. This is one of Jesus' parables concerning the Kingdom.

Here is the exact Scripture;

*Another parable spake he unto them; The kingdom of heaven is like unto leaven,
 which a woman took, and hid in three measures of meal,
 till the whole was leavened.*

Matthew 13:33

Leaven speaks of sin, and in this case the sin infuses throughout all the meal, making it unclean. So it is with my Brother. The embodiment of sin in the demons has become infused throughout much of his life.

But we know the Scripture where it says;

*"For the word of God is living and powerful,
 and sharper than any two-edged sword,
 piercing even to the division of soul and spirit,
 and of joints and marrow,
 and is a discerner of the thoughts and intents of the heart."*

Hebrews 4:12

And I know from what I have seen and heard that the Word which was implanted in him in his youth has been preserved by the Lord unto Salvation. He is not lost.

Because (CB7) has had a lifetime of demons living in his body and infusing their personalities with his, they became his life, even to the point of deceiving all of his family, pastors, teachers, counselors, etc., until the Lord began to reveal to me in increments, and knowing by His Word, **how to discern the difference between (CB7) and the enemy.**

The Word Against “The Cleaning Lady” are these;

The Book of Hebrews

Chapter 4

Verse 12

“For the word of God is LIVING and POWERFUL, and SHARPER than any two-edged sword, PIERCING even to the division of soul and spirit, and of joints and marrow, and is a DISCERNER of the thoughts and intents of the heart.”

The Book of Titus

Chapter 3

Verses 4 Through 7

But when the KINDNESS and the LOVE of God our Savior toward man appeared, not by works of righteousness which we have done, but according to His MERCY He saved us, through the WASHING of regeneration and renewing of the HOLY SPIRIT, whom He poured out on us abundantly through JESUS CHRIST our SAVIOR, that having been justified by His grace we should become heirs according to the HOPE of eternal life.

Blessings...

R. C. Theophilus

DREAM

My Brother's Deliverance

1999-10-24

24 October 1999

I DREAMED THAT:

I was with my middle brother (CB7) for the purpose of driving out the demons from him. My Mom and youngest brother (CB18) were also present, but just looked on and did not get involved. My father was not in the dream.

(CB7) resisted at first, and stuck me with a dirty needle that had infection on it. I ignored this and continued to take authority over the demons. After some time, I called the Prayer Partners at Trinity Broadcasting Network for some support.

After still more time, the demons finally manifested and came out. One I noticed took the form of a cleaning lady, complete with broom and dustpan.

There was an elevator at hand into which I was corralling the demons in order to send them back into the pit. He wanted to follow them in, but I prevented him and finally got the demons into the elevator and sent them on their way.

END OF DREAM.
