

Letter 209
VS Day At (G6)
 2013-09-27

Dear Dan,

The Lord, while I have been working at night, continues to articulate with great accuracy what has recently transpired at (G6) with Letters 193, 204, and 208*.

The 9th of October, 2013, will mark the official end of Satanic Hostilities both at (G6) and The Bus System. I originally thought this would have been on the 11th, when my job schedule changes officially. But the Lord moved the date of Complete Victory up two days for reasons known to Him at this time.

At the end of WWII there were celebrations that happened when each of the two Main Theaters of War, Japan and Europe, had realized victory and Peace Treaties were signed. The two victories are remembered by two phrases**; VJ Day (Victory Over Japan, August 14, 1945, August 15, 1945, September 2, 1945) and VE Day (Victory In Europe, 8 May 1945).

Like WWII, the Lord has been fighting on two fronts, (G6) and the Bus System.

Now, on the 9th of October 2013, the Lord is going to declare Victory At (G6), and has allowed His humble servants to recognize this in observing His declaration that this date will forever after be known as VS Day At (G6) - Victory Over Satan, and this includes the Bus System also.

Unlike the Axis Powers at the end of WWII, Satan will neither surrender nor capitulate. He will be thrown out of (G6) entirely against his will, by the Power of the Word of God, Jesus. Here then is the Peace Treaty that He will enforce;

*For your obedience has become known to all. Therefore I am glad on your behalf;
 but I want you to be wise in what is good, and simple concerning evil.*
AND THE GOD OF PEACE WILL CRUSH SATAN UNDER YOUR FEET SHORTLY.***
The grace of our Lord Jesus Christ be with you.
Amen.
Romans 16:19-20

The battles that have been fought since 2001 in order to come to this point have not been in vain. But they have also not been without price. I have spent over a decade learning how to hate every day, and trying to forget every day that I have been at (G6). It may be that after the 9th I will start to have good memories from (G6). Right now I still have none. But I know my pain will be decreased.

This war was not just for (G6). It has also been for all hospitals everywhere. The Word of this Victory will spread far and wide by Angelic Messengers and the lessons learned at (G6)

will be taught everywhere else in order to bring the same victory.

**Victory over Japan Day (also known as Victory in the Pacific Day, V-J Day, or V-P Day) is a name chosen for the day on which Japan surrendered, effectively ending World War II, and subsequent anniversaries of that event. The term has been applied to both of the days on which the initial announcement of Japan's surrender was made – to the afternoon of August 15, 1945, in Japan, and, because of time zone differences, to August 14, 1945 (when it was announced in the United States and the rest of the Americas and Eastern Pacific Islands) – as well as to September 2, 1945, when the signing of the surrender document occurred, officially ending World War II.

August 15 is the official V-J Day for the UK while the official US commemoration is September 2.[1] The name, V-J Day, had been selected by the Allies after they named V-E Day for the victory in Europe. (Wikipedia)

Victory in Europe Day—known as V-E Day or VE Day—was the public holiday celebrated on 8 May 1945 (in Commonwealth countries, 7 May 1945) to mark the date when the World War II Allies formally accepted the unconditional surrender of the armed forces of Nazi Germany and the end of Adolf Hitler's Third Reich, thus ending the war in Europe. The formal surrender of the occupying German forces in the Channel Islands was not until 9 May 1945. On 30 April Hitler committed suicide during the Battle of Berlin, and so the surrender of Germany was authorized by his successor, President of Germany Karl Dönitz. The administration headed by Dönitz was known as the Flensburg government. The act of military surrender was signed on 7 May in Reims, France, and on 8 May in Berlin, Germany. (Wikipedia)
