

Letter 230
Closing Out 2013 A.D.
2013-12-09

Dear Dan,

Other than the exceptions already mentioned, this will be the last letter that I send to you by United States Post. So, I thought it might be good to recount how you and I came to know one another and then to walk together for a time in serving Jesus.

In about 1992 I became friends with a Brother (CB4). Over time He shared with me about a ministry called Morningstar founded by another Brother Rick Joyner. Later he gave to me some of his articles which I really liked.

Then, sometime in 1997, toward the end of my convalescence before returning to work, I posted a prayer request on the Morningstar website. Later on I saw a response, posted by a Sister (CS7). It turned out that (CS7) lived in Western Washington and I could tell by her response that the Lord had spoken to her about my request.

(CS7) and I exchanged a few emails, then she invited me to attend some special meetings that were to occur at (U4), a church I had never heard of before, but that was not very far from where I lived. (CS7) was also part, or possibly the proprietor of, something called (Z9).

I went to the meeting, or possibly more since I seem to remember they were for more than one day, where I met (CS7) and her daughters. It was through my connection with (CS7) that I somehow got on two or three prophetic email lists and started getting emails from time to time about events and stuff.

The emails kept coming over the years until late 2001 or early 2002, when I got an email about some sort of prayer meeting that I could tell was not of the “conventional church sort”, but had more to do with actively proclaiming The Kingdom at certain key locations around the Pacific Northwest.

So I responded to one of the emails, thinking I might possibly be led by the Holy Spirit to do so. But this was very painful for me because of the abuse I have already discussed that up till then made it difficult for me to know or believe whether I was being led by God or making it up in my head.

So, when you responded to what I wrote in my very first email to you, I was comforted. This helped my faith to grow a whole lot. And of course, so has writing all these letters. So that's twice now that your obedience to the Lord has helped me personally.

And the rest up till now you already know.

We pray that God will bless you and your household. We pray for you and thank God for you always.

In Jesus Name, Blessings...

R. C. Theophilus

P. S. Please check out the movie "Hot Fuzz" compliments of the Holy Spirit.

P. P. S. Angel Gabe pointed out to me not long ago that the phrase "Heart Of The Son" spells out the acronym "HOTS". Go Figure!
