VISION
Zero Point Weaponry
 2014-05-15

Dear Dan,

I learned about “**zero point energy**” through the TV series “Stargate SG1”. This is, according to the TV show, the theory that there is an unlimited supply of energy inherent in matter that can be harnessed through the right technology. In “Stargate Atlantis”, the Zero Point Module (ZPM’s) technology was thought to have been produced by an ancient race of aliens who had become extinct. I always thought it would be neat to have a ZPM in my garage so I could reduce my electrical bill.

After the first of this year, and just after angel Gabriel showed up, there was still more fighting to do in the (G6d) and (G6c) due to remaining pockets of enemy resistance. During some fights I would get militant and in the Spirit raise my right hand, calling on the Name of the Lord. Then something interesting occurred. **Immediately a sword would appear in the spirit and fit into my hand. If I raised both hands, then I got a sword in both hands. And if I kept my hands raised, more swords would stream into the first. I wasn't trying to do this, or even thinking about it. It just happened.**

If I get this way now, I turn the sword(s) over to angel Gabriel, since the Lord wants me to rest this year. Gabriel has volunteered to take care of any military action on my behalf so that I can more easily obey the Lord in this matter. But my heart still wants to fight.

On a related note, I learned some interesting facts when I put together the audio prayer for **L236 - The Word Against The Dominatrix**. As I inquired of the Lord on where to begin, He gave to us the word “Rephaim”. I did a word search and came up with a variety of Scriptures.

Because of the length of the many chapters together, I originally thought to edit the audio of the Scriptures to make the overall time length shorter than longer. But the Lord wanted each chapter left intact, so instead I found “bed” music to fit all the Word.

But within the text of the Word for this prayer, there are two Scriptures that the Lord continues to highlight to me as we periodically listen. They are;

*****2 Samuel 23:6-7*****

6But the sons of rebellion*

shall all be as thorns thrust away,
 Because they cannot be taken with hands.
 7But the man who touches them

Must be armed with iron and the shaft of a spear.

And they shall be utterly burned with fire in their place.”

AND

*****2 Samuel 23:9-10*****

9And after him was **Eleazar the son of Dodo, the Ahohite**,
one of the three mighty men with David
when they defied the Philistines
who were gathered there for battle, and
the men of Israel had retreated.

10He arose and attacked the Philistines
until his hand was weary,

and his hand stuck to the sword.

The Lord brought about a great victory that day;
and the people returned after him only to plunder.

I think this is what happened to me in my spirit since January 2010, but with both sword and shield. That’s why my left shoulder still hurts, and sometimes my right shoulder also.

There are many more interesting spiritual anomalies that I have both experienced and observed, but you can get the general idea from this account.

* I think it likely to be true that the “sons of rebellion” are the **Rephaim**, the sons of the rebellious angels.

Blessings,

R. C. Theophilus
