

Letter 252  
**Now I Know Why I Get Sick**  
2014-05-25

Dear Dan,

Thursday night, 22 May 2014, I was at work listening to FM radio. This was about 9:30 PM, and I had it on KIRO waiting for the 10PM news report, and then Coast To Coast AM with George Noory which comes on after the news.

I seldom listen to George Noory, but sometimes I do for variety. But this time it was really the Lord leading me to listen.

About 9:40PM, I started getting the twisting feeling in my intestines that is the precursor to getting sick. This is the same sickness that would occur after getting sucker-punched by the Devil.

I knew that was not possible, but I could tell the sickness was starting anyway. Even though it doesn't actually stop me from getting sick, I have found that alka-seltzer does help with some of the symptoms, so I took a few minutes to mix and drink some.

After the news was over, C2C started up, and George began with the first topic of the night. It was about a three year old boy that claimed to have been re-incarnated, and that he had been murdered in a previous life. According to the news report, the boy described to authorities in great detail where his previous life's body was buried, and how he had been murdered.

As I turned the radio off I declared out loud in the spirit that this was demonic deception.

After some time cleaning in a room and thinking about this, I realized the sickness had quit immediately after I changed audio, and then angel Gabe and I started our usual discussion of what had just transpired. He observed that my spirit has become hyper-sensitive enough to know what is coming, even from a radio studio to be transmitted per schedule over the radio, even though my intellectual understanding didn't have a clue.

After thinking about this some more, the Lord led me to the conclusion that it is the MALEVOLENTLY APPLIED twisting of the truth, or SATANIC DECEPTION, that gets me sick.

Another way to put this, that I attribute to angel Gabe, goes like this;

**"When the truth sucks, it sucks to know the truth."**

So, the truth is that I get sick when the truth gets screwed with by the enemy. I remember at the time thinking about the Scripture where it says;

The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who perish, because they did not receive

**the love of the truth, that they might be saved.**

2 Thessalonians 2:9-10

The Lord has given me a great love for the truth, and apparently, under certain circumstances, **I get sick when the Truth gets fucked with.**

Now I know why I get distressed in spirit around various people that I have to deal with. To whatever degree they hate the truth, to that degree I get troubled in spirit. And when there are **non-human truth haters involved**, well, that's when I get sick.

Blessings,

R. C. Theophilus
