

Letter 253
Notes On Triangulation
Part 2
 2014-06-02

Dear Dan,

It's not easy for me to come up with a description of how the Lord began and continues to heal my spirit and soul after the last time that Satan tried to kill me. It seems to come in blocks of time in which I could tell my spirit was being affected, and the wounds that were inflicted on me when Satan was ripping apart the relationship I had (and have) with angels Gabriella and Gabe began to be healed.

In Letter 204 I mention the video called **Birdmen**. This was in September of 2013, before I had any notion of what was going to happen in October and November, or since then.

During that time I would watch the video on my iPad at work on my breaks. The Lord was using the entire content in the video as a healing remedy.

First, it had absolutely nothing to do with (G6), Satan, or Hell.
 Second, it had everything to do with the beauty of God's own Creation.
 Third, it showed people having fun in the same context that I would also enjoy. Doing something that not many others do in a spirit of Trust.

And since it had nothing to do with (G6), none of Satan's indigenous resources could curse it.

But there are more things still that I can learn from the video. It has to do with correlating and comparing my relationship with angels and how the wing-suit works. It is very similar.

These Scriptures are brought to bear by the Lord concerning this matter.

BIRDMEN

Exodus 19:4-6

4'You have seen what I did to the Egyptians, and how I bore you on **eagles' wings** and brought you to Myself.

5Now therefore, if you will indeed obey My voice and keep My covenant, then you shall be a special treasure to Me above all people; for all the earth is Mine.

6And you shall be to Me **a kingdom of priests and a holy nation**.' These are the words which you shall speak to the children of Israel."

Revelation 1:5,6

To Him who loved us and washed us from our sins in His own blood, 6and has made us **kings and priests to His God and Father**, to Him be glory and dominion forever and ever.

Amen.

Blessings...

R. C. Theophilus
