

Letter 260  
**VISION**  
**Ablative Armor Mantle**  
 2014-07-05

Dear Dan,

In the last two days I have seen in a vision the following;

I am in the air about 20 feet above an unpaved road. About twenty feet in front of where I am hovering there is a horse and rider on the road, and the rider is wearing what appears to be a cloak, or MANTLE that is Steel Gray in color. Seeing the detail, I can tell that it is comprised of the same Ablative Armor construct as what I first saw described in Letter 217, being worn by what I called Ablative Armor Angels.

On the Mantle there are lateral rows of small petals made of this same metal. Each petal looks like an Oak Leaf. The leaves are arranged in rows not unlike a tile roof, with each leaf alternating in each row, and each row overlapping the row below. The Mantle is made pliable and flexible enough to be comfortable to wear.

On either side of the road are Ranks of Angels laying prostrate on the ground in very neat rows facing toward the Rider, all wearing the same Mantles. The Mantles worn by the prostrate Angels are spread out so that they cover the ground on either side of each Angel, so that there is no exposed ground where they lay prostrate.

The Rider is King Jesus. And the Angels have been given this same Mantle to share with any of the Redeemed that want to have one.

While I was working last night, the Lord revealed that each leaf of the mantle, and the mantle in its entirety are forged from metal made possible by the fulfillment of the **Prayer of Jesus for the Father's Forgiveness**. This is recorded in Scripture where it says;

“Then Jesus said,  
 “Father, **forgive them**,  
 for they do not know what they do.”  
 Luke 23:34

This is the same **forgiveness** that was prayed for in Letter 237. This is what the Ablative Armor Angels were clad in that was impervious to Satan's thoughts, not allowing any of his wretched communication to pass through.

Each Leaf is in itself Forgiveness Omnipotent, and the entire Mantle is Forgiveness Omnipotent.

The work of the Mantle is such that it dissipates ALL of the accusations of the Enemy, so that the one being accused is unaware and oblivious to the accusations. Being so clad, the

Redeemed can go about their daily lives while feeling Relaxed and in Peace.

And, they just plain look cool, especially when worn by Family Members who are in close proximity to each other.

Blessings...

R. C. Theophilus
