

Letter 268
The Praisetree Anointing
2014-07-31

Dear Dan,

The Lord has been sharing with us about what the PraiseTree anointing will be like.

He delineated two categories. What it will be, and what it won't be.

=====

I'll start with the "won'ts" first.

It won't be based on any one person, church, or organization.

It won't have a readily identifiable epicenter location like Azusa Street, or the Toronto Blessing, other than to those Believers who are led to visit PraiseTree, and the ones who already know like you and I.

It won't be susceptible to commercialization.

It won't be easily quenched.

=====

And now here's what it WILL BE.

It will be based on One Word, Jesus.

It will be unlike any other outpouring ever before. Greater, Stronger, Sharper. And to its supply and outflow there will be no end.

It will be introduced into the Water Supply of the Pacific Northwest, and overflow from here into the entire Nation, and then the Whole Earth.

It will produce a hunger for **honest, straightforward** study of the **Scriptures** in their entirety.

It will produce a thirst for the Gift of the Holy Spirit and His Gifts.

It will result in Peace, Joy, and Righteousness.

It will be multi-generational and bring healing to families.

It will result in more marriages being healed.

It will result in (gasps of horror :)) even MORE Angelic involvement in the affairs of men,

especially in regard to the Gospel of Jesus being proclaimed **anytime, anywhere, to anyone.**

It will result in crime prevention by Churches taking command of the evil spirits in their Cities, Towns, Counties, States, and Nations.

It will result in Cold Case crimes being solved easily and more frequently.

It will result in the Good Gifts of God being poured forth upon all Flesh, ad infinitum.

*And the list goes on...

AVTOS

*AND... it will produce an appreciation for plain, good, old fashioned COMMON SENSE, which is presently being murdered by Political Correctness.

P. S. Angel Gabe keeps telling me that this outpouring of the Spirit Of God upon all flesh will be bigger than any other outpouring to date. In fact, he is so persistent in this assertion that I have to tell him to take it easy already. Gabe is having another emotionally charged "Joy Meltdown", the same as when Satan was sent to the desert. I suppose he is right in this. He usually is.

Blessings...

R. C. Theophilus
