

Letter 283
Enmity In The House
2014-10-16

Dear Dan,

(M) was raised in a very liberal and at this time very apostate (L7) Methodist Church. I remember at the time (M) and I were married and for many years after that her mother (P3) was part of the music department at the Church.

But there was strangeness from the beginning in the relationship I had with (P3). One day while visiting at (M)'s folks place, I was helping (P3) in the kitchen. We ended up talking about something to do with church, and I remember at one point (P3) was comparing her church with others, and I remember that in one of her comments she drew an adverse distinction between what she believed, and what those of, and I quote;

“... WHAT I CALL THE BLOODY RELIGIONS ...”

believed.

And I knew right then she was referring in a negative sense to those Churches that believe in the Blood of the Lamb Jesus. I don't think that she, or the evil spirits that were influencing her, knew at that very moment they were talking to one of those they were maligning. Now as I write this I think that it was angel Gabe provoking the conversation in order to expose the truth for later reference.

But there was even more strangeness.

About this same time we were visiting again, and we ended up in (P4)'s study. (M) asked if I should meet “Uncle Harry”. With sort of a suppressed grin (P4) reached up to a shelf a pulled down a doll, about 8” tall, of a male flasher, complete with an overcoat that opened in front, and accurate male genitalia.

I was sort of embarrassed, and really didn't say anything. But years later, as the Lord begin to speak to me and work through me to bring deliverance to my in-laws, I would remember this event, and the Holy Spirit would lead me to the informed realization that the doll was a symptomatic sign of a greater spiritual problem, namely the presence in the (P4) family, and by extension the Methodist Church, of at least one spirit of defilement.

Later on (P4) would show me a VHS video he had taken of (M)'s younger sister while she was working out at a health club. He showed me how he had zoomed in on her tight workout top that exposed a little of her cleavage, and how her uncle (his brother) would like to see that. I didn't say anything, but inside I knew that was really bad, for a father to see his own daughter as a source of lust for himself and her uncle.

At this same time something else weird would happen. Whenever (M) and I would leave

from visiting and we would say our goodbyes, I would give (P3) a little hug, and sometimes a kiss, really a quick peck, on her cheek. I was still trying to figure out whether this was appropriate, but it seemed an honorable thing to do, since she was the mother of my wife. But just before I would back away from the hug, (P3) would run her hand down my chest, from my neck to about mid level. After a few times, her hand would go lower and lower, till one time it almost came down to my belt. And while she would do this, she would also give a funny little laugh under her breathe, as if she was being aroused.

Even though I was really naive about these things, I became uncomfortable with it and basically quit hugging her completely. All these things happened within about a year or so. But they were isolated incidents, and I really didn't know what to make of those things at the time.

Angel Gabriel wanted me to bring this up now in order the lay the groundwork for future letters that will delineate the Lord's plan to clean out His House here on earth.

In preparation to write this memo, I researched the word ENMITY, which is what the Lord brought to mind as I searched for the subject title of this letter. Below is what I found.

Romans 8:5-8 (NKJV)

5 For those who live according to the flesh set their minds on the things of the flesh, but those who live according to the Spirit, the things of the Spirit.

6 For to be carnally minded is death, but to be spiritually minded is life and peace.

7 Because the carnal mind is **enmity** against God;

for it is not subject to the law of God, nor indeed can be.

8 So then, those who are in the flesh cannot please God.

=====

Ephesians 2:14-17 (NKJV)

14 For He Himself is our peace, who has made both one, and has broken down the middle wall of separation,

15 **having abolished in His flesh the enmity,**

that is, the law of commandments contained in ordinances, so as to create in Himself one new man from the two, thus making peace,

16 and that He might reconcile them both to God in one body through the cross,

thereby putting to death the enmity.

17 And He came and preached peace to you who were afar off and to those who were near.

=====

James 4:4 (NKJV)

4 Adulterers and adulteresses! Do you not know that friendship with the world is **enmity** with God? Whoever therefore wants to be a friend of the world makes himself an enemy of God.

=====

The church that (M) grew up in, and her parents, became friends with the world, thereby making themselves enemies of God, and opening themselves to the active resources of Satan. Yet, God still loves them, and allows me to participate in their deliverance so that before Mr. and Mrs. (P4) draw their last breath, they will call on the Name of the Lord and be saved.

Some of the deliverance occurred in 1999 after Jesus introduced me to angel Gabe, and later after that when I had to resort to some extreme positions (see Letter 34), and is still ongoing, but is now in the immediate hands of God via angel Gabriel.

Blessings...

R. C. Theophilus
