**Covert Ops And Intel At Denny's**  
 2014-11-05

Dear Danny,

At one of our meetings at Denny's, I remember referring to you and me, saying something like;

“... WELL, I GUESS WE ARE A COUPLE OF KINGDOM SPOOKS ...”,

or words to that effect, and it seemed like you understood what I meant. I got the word “spook” from X-Files, in an episode where Agent Mulder is referring to a CIA operative; “agents or people involved in espionage ... or people involved in military intelligence...” (see Wikipedia - “spooks”).

I have often wondered over the years how the Lord could use people like you and me to perform Kingdom related jobs. I don't know about your experience, but with the exception of a test I took that revealed some ministry strengths, I have had to learn most of this from field experience, and reading the Bible, and hearing the voice of the Lord. But I have always been a “do-it-yourselfer” type. So the Lord just took what He had already made in me and started using it to take care of business.

In one of the audio prayer “mashups” the Lord has had us produce lately, I heard in one of the Scriptures something that authorizes such activity. So, below are two of the Scripture references I found that speak along these lines.

**Isaiah 49:2**

And He has made My mouth like a sharp sword;  
 In the shadow of His hand He has **hidden** Me,  
 And made Me a polished shaft;  
 In His quiver He has **hidden** Me.”

**Joshua 2:1-6**

1Now Joshua the son of Nun sent out two men from Acacia Grove

**to spy secretly.**

saying, “Go, view the land, especially Jericho.” So they went, and came to the house of a harlot named Rahab, and lodged there. 2And it was told the king of Jericho, saying,

“Behold, men have come here tonight from the children of Israel to search out the country.”

3So the king of Jericho sent to Rahab, saying, “Bring out the men who have come to you, who have entered your house, for they have come to search out all the country.” 4Then the

woman took the two men and hid them. So she said, "Yes, the men came to me, but I did not know where they were from. 5And it happened as the gate was being shut, when it was dark, that the men went out. Where the men went I do not know; pursue them quickly, for you may overtake them."

6(But she had brought them up to the roof and

**hidden them**

with the stalks of flax, which she had laid in order on the roof).

P. S. The Dennys is no more. It was torn down about three months ago. Something else is going up on the property. Don't know what yet. But then there's this. I read on a poster some years ago at that same Denny's about how Denny's initially got it's name. The poster said that the first Denny's was originally named

DANNY'S DOUGHNUTS!

Kingdom coincidence Dan? Or what?!

Blessings...
