**DREAM**  
**Sister Soldier**  
2016-11-08

Dear Dan,

**Tuesday, 8 November 2016, 6AM.**

I think it was toward the end of 2014 that I had this dream.

**I DREAMED THAT:**

I was in the Family/TV room which was located in the downstairs basement of a house. The room was sort of long and rectangular. On one of the longer walls was a couch, that was facing an entertainment console on the opposite wall that had a TV and other electronic devices on it.

To the left of the couch at the end of the room was a large picture window that took up most of the wall. When I initially came into the room I could look through the window enough to see a green lawn that sloped away from the outside of the house and down the gentle grade of the small hill on which the house was situated.

The next thing I know I find myself sitting on the couch facing the TV.

I was not alone on the couch. To my immediate left was my constant companion angel Gabriella, and to her immediate left was a Lady Pastor, (CS12) of the church (U19). The three of us were all talking about Church stuff, and then I distinctly heard Gabriella say to (CS12) words of encouragement, ending with an excited outburst of the words "... Sister Soldier", at the end of her sentence. But Gabriella actually pronounced the two words with a little flare, saying something that sounded like

"...BE ENCOURAGED SISTAH SOLDIAH!"

**END OF DREAM.**

Blessings...
