

Letter 329
Not Until The Rapture
2015-03-23

Dear Dan,

A while ago I was thinking about what has transpired since 9 October 2013, and the Lord's answer to my question about how long Satan was to be confined to the Northern Sahara. See Letter 216.

Thoughts about the ramifications of PraiseTree, the restoration of the Lost Anointing of the 1980's (Letter 313), the New Day that's coming (Letter 207), and things I have heard from other sources, led me to an interesting train of thought.

I began wondering just how long it's going to take for angel Gabriel to separate the Tares from the Wheat, etc. Then I wondered how long it might be from the time Gabriel is finished, (since that is when the Lord said He would release Satan from his restriction), until the Rapture.

Then this thought occurred to me:

“WHAT IF SATAN COULD BE KEPT IN THE DESERT
UNTIL THE RAPTURE OCCURS?”

The reason I didn't go any further than that is on account of I know the Scripture must be fulfilled in Satan ruling the World for a short time through the Beast and the False Prophet as specified in the Book of Revelation. So I figured that letting Satan go at the time of the Rapture would be as good a segway as any for Bible Prophecy to continue on as specified therein. Plus I also thought it would give as many people as possible a Satan-free world for a time. I also think the nations will be the better for this, and will begin to “flow to it” (see Isaiah 2:1-2).

By being himself restricted, Satan will not be able to personally restrict the flow of nations to the Mountain of the Lord's House. Yet Satan's resources will still be active on a national, local and personal level, providing a continuing training ground for the Body of Christ to learn how to wage war in order to overcome evil.

So I was sort of mulling all this over in the presence of my angel family when another thought occurred to me, that I might pray to ask the Lord if He would keep the Devil restricted in the Northern Sahara until the Rapture.

So I prayed and asked the Lord Jesus just that, if He would keep Satan confined to the desert until the Rapture.

The Lord Holy Spirit answered and said;

“OK.”

Blessings...

R. C. Theophilus
