

Letter 374
The Siege Of Bethel Part 5
In Retrospect
 2015-07-13

Dear Dan,

In summation, according to Scripture it is clear that through Christ Jesus, the Lord God restored relationship with the Father for all mankind, who, after believing in Christ our Messiah as Lord and Savior, has every access to all things from Heaven, per Scripture as it says; "Thy Kingdom come, Thy will be done, on Earth as it is in Heaven."

But we also know from the prophecies of Jesus found in Scripture that not all would be well in the Kingdom of Heaven on Earth, due to the not-so-peaceful coexistence of Hell with that of Jesus' Kingdom.

Yet we also know from Scripture that King Jesus is the Victor. He is the one who sets the captive free, reveals true things to the blind, brings freedom to the captive, and Adoption to the Fatherless.

The signs He has given in PraiseTree are indicative of this. These are:

- 01) Letter 30 The Day of 7 - P 08 The Liberation Of PraiseTree 2011-10-28
- 02) Letter 32 The Day of 7 - P 10 "The Word Against Snoqualm" 2011-10-28

The uniqueness of the "Bethel" of PraiseTree is that its existence is not contingent on any one Church or Denomination for its continuance. The established Grid Coordinates and corresponding Scriptures ensure that it cannot be moved* from its place. And the likelihood of the property being used for any other purpose other than its current use is also exceedingly remote.

But "birds of the air", demons, can still invade and lodge in the trees, bringing with them their own form of corruption. These birds can be kept away by prayerful vigilance and occasional visits by the those of the Redeemed who have dedicated themselves to the purpose of keeping PraiseTree free of vermin and pestilence.

*The TV show Star Trek - Deep Space Nine prophesies of this. One of the main themes is the discovery of a Stable Wormhole from a Deep Space Quadrant to space near the planet Bajor, and easily accessible to all.

Blessings...
