

Letter 394
DREAM
Gabriel He Ain't
 2015-09-13

Dear Dan,

11 September 2015.

Yesterday just before waking up I had a very brief dream.

I DREAMED THAT;

I saw an attractive appearing man with dark colored hair come into my room and sit down on the bed next to me.

END OF DREAM.

As I was waking up I got the feeling that the man in my dream was trying to get me to believe that he was angel Gabriel. In the dream I did not feel any real evil coming from him, but as I was waking I went into "test the spirits" mode (see 1 John 4:1) . This is because Gabriel has only appeared to me in the spirit with blonde hair, the same color as his cousin Gabe. And besides that, I always test a new spirit that comes my way.

So I found it strange that, if it was Gabriel, he would appear in a dream looking different from what he does in everyday life. And to date, Gabriel has not appeared to me in any of my dreams at all. I did have a dream about Gabriel, which I describe in Letter 285.

Later on as I was sipping my morning coffee I was informed by the Lord that the man in my dream was a deceiving spirit trying to get me to believe he was Gabriel.

That night at work while I was pondering this, a thought occurred to me suddenly, and I said to angel Gabe that I was appointing him to be the Anti-Deception Officer. Later on we settled on a more direct Scriptural quote. He is now the "Be Not Deceived" Officer, and is now in charge of the "Be Not Deceived" Office (see Luke 21:8).

Part of this new MOS (Military Occupational Skill) is to keep me well informed of any threats of deception as soon as possible. Since he already heads up the Kingdom CIA (Christian Intelligence Angels) network, this ought to be a pretty easy task for him.

Sometime in late 2013 after October 9th, over a period of many days, Jesus came to me while I was asleep, and joined my heart together with angels Gabe, Gabriella, and Maiah in the Word of His Love. This union is irrevocable, unbreakable, impenetrable, and cannot be spoofed. It is impossible for any enemy spirit to get between us.

The reason that some doubt occurred to me as to whether the spirit in my dream was Gabriel, is that he and I do not have the same relationship that I have with Gabe, Gabriella,

and Maiah. Gabriel and I are independent of one another. It is therefore possible for doubt to get between us. Now as I write, the Lord is saying that this is exactly what the fallen angel was attempting to do. The enemy wanted to introduce doubt in my mind so that there would be a **relational gap** between Gabriel and I. This gap would then provide a vector of attack for other enemy spirits. Suspicion would be the next most likely spirit to try to gain entry.

The bond of friendship between Gabriel and I was too strong for any doubt to exist for very long. Add to that the Kingdom vetting protocols the Lord has already established in my life, and enemy agents don't stand much of a chance.

But they do try. And we can never let down our guard.

Blessings...
