

Letter 402
The Covering of All The Glory
 2015-10-06

Dear Dan,

Tuesday 6 October 2015 6AM.

Last night toward the end of the work shift I was thinking about two things, one right after the other.

The first was about the PrayerSong we were listening to, The Prayer of Jesus For The Covering Over All The Glory. It is based on the first four chapters of Isaiah. I really didn't know what the specific purpose of the Prayer was when I put it together earlier this year, other than the Lord wanted to address some of the issues raised in those particular Scriptures.

The second thing I was thinking about was the letter I wrote where I talk about how Bellevue had lost its spiritual covering because the foundational Church had entered into idolatry (see Letter 343 Volume 5-15). After the song was finished, the Holy Spirit gave me a question to ask angel Gabriel. So I asked Gabriel if the covering of the glory for Bellevue had been rebuilt.

Gabriel then directed our thoughts to two things. One was the recollection of how Mars Hill Church had been disbanded. And I remembered that the Mars Hill Church in Bellevue, which met in the old John Danz theater, had become a completely new church named Doxa Church.

I had known about the New Church and the New Name a year ago when the change was made. But I didn't know what the word "DOXA" meant. I figured it was some Greek or Latin word that meant something.

But last night after all of these thoughts came to me, I looked up Doxa Church on the internet, and found the Church's website. There on the front page was the definition of the greek word "DOXA". Their website states the following:

*"DOXA IS THE GREEK WORD FOR GLORY
 Foundational to the choice of the name Doxa is
 Colossians 1:27 which reads:
 "To them God chose to make known how great among the Gentiles
 are the riches of the glory of this mystery,
 which is Christ in you, the hope of glory."
 (<http://doxa-church.com/>)*

As soon as I realized what all this meant, I began to worship God in my heart, giving Him glory, knowing that He had brought remedy to Bellevue. Jesus has rebuilt the Foundation, thereby restoring the Covering of all the Glory. "Praise God From Whom All Blessings Flow."

And so once again, I saw that “all things work together for good...”,

Blessings...

R. C. Theophilus
